

Term 1 Newsletter 2022 – 2023

Message from Michelle Reysenn – Headteacher

Dear families,

I cannot believe we are already at the end of the first term of this academic year. **Time certainly does fly!** But I think you will see and read within this first newsletter of the year, how much has been **achieved**, the learning that has taken place, and most of all, relationship building, and **memory making!**

Pupils in lower and middle school are working through their phonics programme, ensuring that they have the life skills in place to read and be safe. They have also been studying Great Britain during SMSC lessons. Middle school have also enjoyed their SMSC work focusing on Germany. As we move into upper school, the pupils have really embraced their option choices, with so many going off-site to mainstream colleges to study animal care, construction, and motor vehicles. Other pupils are enjoying time at Kandu studying performing arts. And yes there are some of our pupils taking a qualification in GAMING! E-sports is a popular choice for many, and the course has begun with **eagerness** from all! As we all know, it isn't all about the lessons, the academic learning, the progress, but the wider development of pupils. A handful of pupils have completed their **Bronze D of E** 10 mile expedition and outdoor education continues to be popular with trips to the local climbing centre, the lakes, and also using our own facilities in the forest school area and the poly tunnel.

Over the summer holidays, so many **improvements** were made to the site including bedrooms re painted and new carpet in place, a variety of playground markings were installed for pupils to develop their gross motor skills during pe lessons, and at break time and lunch time, and Alton Barnes had a new 'quiet' tutor room created within the art room. Half term works have been referred to in this newsletter, as we continue to **develop and improve** our facilities inside and out!

Before I go, and wish you all a peaceful half term break, I do, I'm afraid, need to refer to a topic that is nothing to celebrate about. Damages. Unfortunately, a few young people are causing damages to the school site, and the costs are increasing week on week. We do not have an endless pot of money to repair things. The money will be taken from evening activities, and class reward trips, if we cannot reduce the damages with immediate effect. Within this newsletter, you will see that what may seem like a simple kick to a door, can actually result in a class enrichment trip being cancelled. It is really time to **think** about our actions, and reflect on the choices made. There is always another way to manage anger, disappointment, sadness, or tiredness.

Please do enjoy reading this newsletter, and also please do **enjoy** time with **your family** during the break.

Pupils return on Wednesday 2nd November, as we have two training days on October 31st and November 1st.

Thank you.

Best Wishes,

Michelle Reysenn, Headteacher

PEWSEY & DEVIZES

Term 1

Natalie, Sarah, Steve, Amy, Chantal, Leann,
Sammy and Jane.

This term in Primary we have been learning about Great Britain. We have researched the three countries and their flags, traditions, emblems, food and history. We linked this learning to the Queen's state funeral and celebration of her life.

In maths we have been looking at number, learning multiplication facts and reading and writing numbers to 1000. We have also been working on using symbols for greater than and less than and finding the value of individual digits within numbers.

We learnt that the crocodile always eats the largest number!

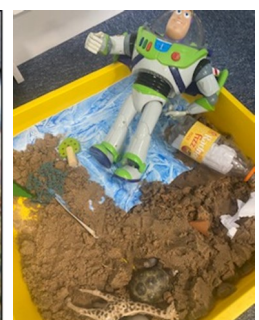

We use lots of different resources to help us with our counting

We enjoyed making the royal standard and the class won a prize for it!

In our English lessons we have been looking at characters in fiction stories and how they behave and the settings where the story takes place. We have had a go at creating our own characters and writing an adventure story. Some of us even acted out our stories using small world characters.

In primary we have been continuing with the RWI programme and most of us are reading everyday and enjoying it. Some of us are learning our phonic sounds and enjoy using lots of resources to do so. We all practice our handwriting and spellings every day and are making lots of progress.

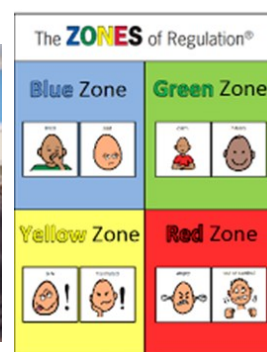

At the start of term we did a mini science project on Recycling. We found evidence of recycling in the local area and why it is so

important to recycle for the environment. We learnt how to recycle and make our own paper.

To support our emotional well-being, we have been learning or re visiting the Zones of Regulation to discuss our different feelings throughout the day and what zone we may be in. Next term we are going to explore resources to help us to stay regulated.

THE WIND IN THE WILLOWS
A PARTICIPATION MUSICAL FOR ALL AGES

We hope you all have an exciting half term and enjoy Halloween, we look forward to welcoming everyone back for term 2 and we have even booked the Christmas play already!

Lower School Learning Fun!

Pupils in lower school have been making their own recycled paper, using sensory materials for their learning, and playing in their own sensory garden

Read Write Inc provides intensive, targeted support to address specific gaps in students' reading.

Fresh Start is a fast-track catch-up programme for students with SEND, students who are reading below national expectations and for older struggling students.

Notton has been using the Fresh Start reading programme now for 6 months. We have many students making incredible progress using this scheme along with their dedication and hard work.

These are some of the resources we use with Fresh Start:

Red words (words you cannot sound out)

Green words (words for blending)

Modules containing stories

Read Write Inc. Phonics Speed Sound Cards Set 1

Speed Sounds

Further practice

If any parents, carers, families would like more information on this scheme and would like to support their child at home, please contact Notton on 01249 730407 and ask for Helen, Natalie, Sarah or Jane

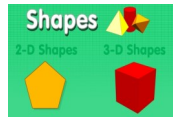

BROAD TOWN

Term 1

With Helen, Nat & Tiff

NUMERACY

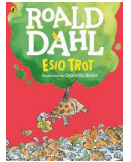

In Term 1 we have looked at identifying 2D and 3D shapes. We have also been measuring to the nearest mm and converting units of measure. We have been practising multiplying and dividing numbers by 10, 100 and 1000 and learning long division. We have had fun with ratio and have separated a variety of items according to their colour and value.

LITERACY

This term, we have focussed on short stories by David Walliams. All pupils have contributed and read out loud in class. We have completed comprehension activities to check our understanding and identifying key vocabulary that the author uses.

We have practised our spelling, handwriting, grammar and punctuation. As a class we are reading Esio Trot by Roald Dahl as he is our Author of the term.

In SMSC this term we have learnt lots of facts about Germany. We also did an afternoon cooking German food including homemade currywurst, sauerkraut and tasting lots of different foods.

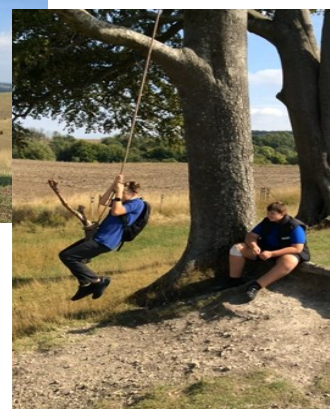

In cooking this term we have made a variety of dishes from curry, pizza, macaroni cheese and burgers

In PE the class has enjoyed trampolining and basketball this term

In Outdoor Education this term, we have been lucky with the weather and been on trips to Roundway hills and Marlborough.

Don't forget swimming for Broad Town commences in Term 2, don't forget to send your children in with their kit!

HACKPEN

Term 1

With Ant, Sharon & Ollie

This term has been full of fun and frolics, Jack, David, Leo and Oliver have become proficient in many card games during well-being, the particular favourite being "Monopoly Deal".

We said goodbye to Cason this term who has moved up to Marlborough class and is continuing his good efforts in maths and college courses. Luckily his new class isn't too far away and he will be able to pop back round during break times for a game of monopoly deal.

The class attendance target is going well with regular attendance to lessons and keeping ourselves safe adding to our green token collection.

Although there is still much debate to be had on what our class trip should be once we have filled the green token jar. The front runners seem to be bounce house or laser quest.

Most recently in Outdoor Education we have been making the most of this nice weather and getting out to the lake and are all now confident in our self-rescue techniques and are ready for our assessment.

In humanities this term we have been looking at democracy and the UK government which has sparked fierce debates around rules and laws within the UK and the rights for younger people to be able to vote. It has been great to see our enthusiasm to find ways to fix issues that effect young people today. We shall finish off with Leo's prize-winning run and tireless effort to achieve pupil of week several weeks in a row. We hope you all have a good half term and come back rested and refreshed ready for the new term and the build up to Christmas.

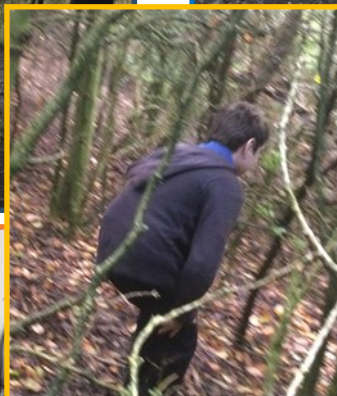

Ant and Sharon

ALTON BARNES

Term 1

With Ron & Karen W

The boys have had a busy term enjoying lots of different activities such as climbing, outdoor-ed trips and trips to Whitehall as a reward.

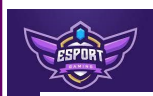

As the first term draws to a close, we are celebrating a successful start to the school year.

Lots of new experiences & subjects for our year 10's (& our fabulous year 9) including:

- Bronze Duke of Edinburgh expeditions in the beautiful sunshine through 10 miles of glorious Wiltshire countryside.

- E-Sports lessons.

- Food tech.

- Careers.

- And of course, college days. The majority of the boys are thrilled with their options & the experience of learning in new & exciting environments.

Ben & Becky feel so privileged to be travelling on this journey with the boys & they continually make us proud, especially in PSHE & SMSC lessons where great conversations are had regarding respect & responsibility, how we can always try to be better human beings, to have empathy & compassion for the people & environment around us.

Every day, staff encourage the boys to strive towards (& hopefully achieve) the school values of:

KINDNESS

RESPECT

SAFETY

and subsequently our Green Token jar is filling up rather rapidly!

CHERRHILL

Term 1

With Andy, Pete & Chloe

We are coming to the end of a long first term and we are all looking forward to the half term break!

First, we welcome our new Learning Facilitator, Chloe, to Cherhill Class. It's great to have you with us Chloe and we hope you will enjoy working in Cherhill.

HELLO

We also welcome Karen who started as a Learning Facilitator and joined our class for a couple of weeks before being moved to another class.

In Maths again the work has been very much based on GCSE standard questions for Caleb, Harley and Phin. They have been working on Contextual Construction Problems and scale diagrams. Maty and Drew have been working their way steadily through Entry Level Exam Papers and so will gain some qualifications from this.

In English the work has been focusing on GCSE preparation. The particular focus this term has been to practice for the first Exam paper, and Andy has been very pleased with the progress that is being made by Caleb, Harley Phin and Maty. Drew has been writing his CV, an important document when it comes to applying for College placements, jobs or apprenticeships

This is a very important year for the students in Cherhill as they prepare for their Exams in 2023. The next few months will fly by, and there is a lot of ground still to cover in the core subjects of English and Maths in order to achieve some good results in the Exams.

In our well-being time we regularly look at the news and what is happening nationally and internationally, and usually end up having a go at the daily "Wordle" and "Quordle" puzzles which can be very challenging.

 **Quordle**

In SMSC this term we are looking at the continent of Europe. We have decided not to concentrate on one country over the term, but are studying a different country each week. This gives the group a chance to learn about more of the countries that make up Europe and widen their knowledge.

Have a great half term break and come back refreshed ready for more learning!!

Notton Esports

This year has seen some of our year 10 and 11 pupils embark on a new BTEC course all about Esports.

All of the boys have started Unit 1 learning about the different genres of games that can be played at Esports tournaments and leagues, the different teams and players, exploring different types of connections (LAN and online), the similarities, pros and cons of each.

Every pupil is on track currently to complete Unit 1 by the end of the Christmas term where they will produce a leaflet of their findings, one of the most interesting being the amount of money that has been won by teams and the amount of spectators involved in some live tournaments.

To date Esports have paid out over \$1billion in prize money and each of our students would love to get a slice of that pie! Fortnite has never been so popular in the gaming suite of an evening since learning this fact.

Here's to a super half term and we can't wait to welcome all boys back to continue their super progress.

WESTBURY

Term 1

With Anton & Nathan

First term is nearly done and what a busy term it's been. All of the boys have been very busy getting stuck into school and have been doing lots.

Brandon and Bennito have been back at Lackham this term taking part in the second year of their animal care course. Both boys are really enjoying it and getting stuck in.

Reagan and Connor have been at Chippenham College starting the second year of their construction course. This term they have been doing carpentry where they have been learning lots of new skills.

Also these two have been working really hard in their PE course. Both in practical and theory sessions. They have been working with the teachers to get through the first module of their assessment.

Leo has been carrying on with his Esports course. He is really getting involved in this and learning lots of new things which he is hoping he can use in the future.

In English some of the boys are working hard doing work prepping them for their GCSEs. The others are working through their entry level qualification. In other school life the boys are really looking forward to the next steps and have been working hard to find options for next year and beyond.

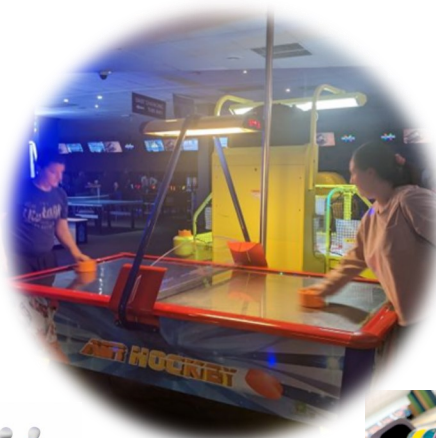

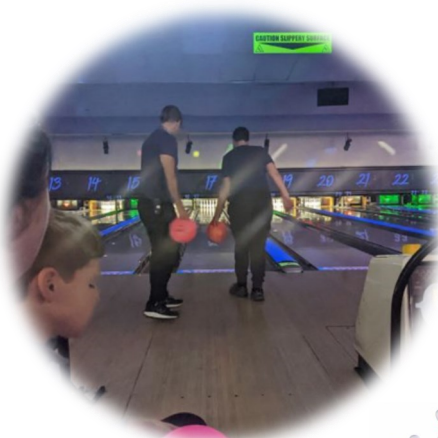

Outdoor Education at the lakes

Self-rescue practise, essential for water safety, but also allows the pupils to move forward with the paddle awards. All pupils are looking very confident and ready for the self-rescue assessment next week!

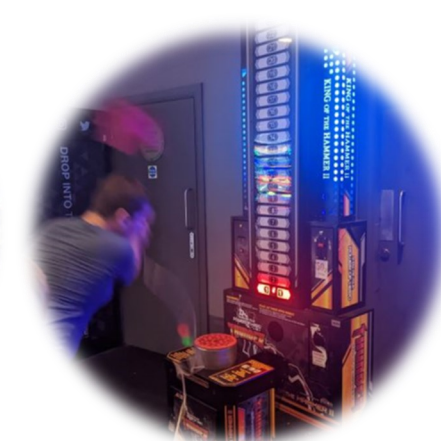

It's a strike!

Lower School staff and pupils loved their evening trip out to ten pin bowling. The photos speak volumes about the fun and enjoyment that was had by all!

End of game

New Playground Markings

Pupils chose the designs last year, and now their choices have been achieved! More learning, more fun, more physical activity, and all OUTDOORS!

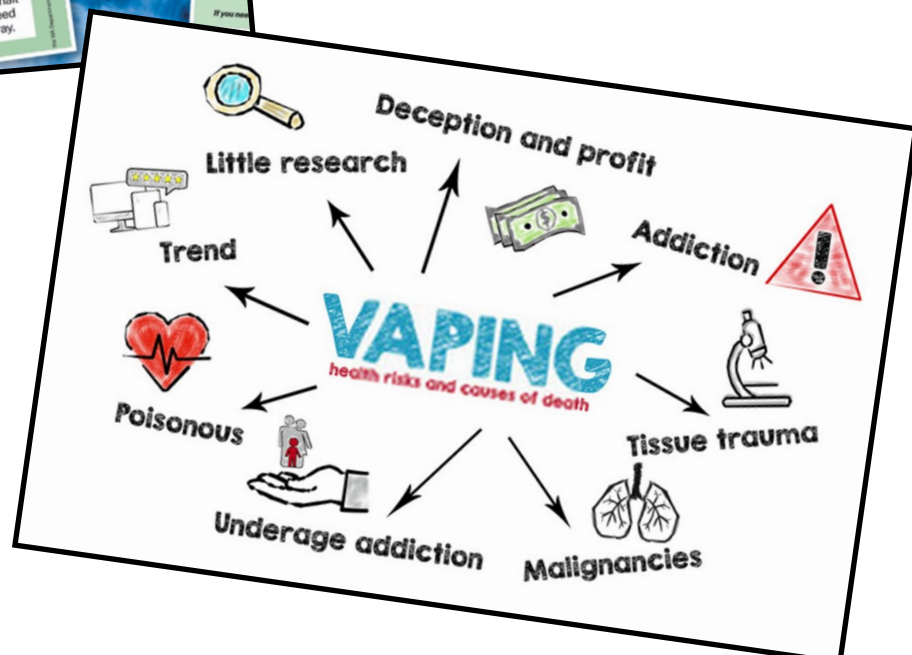

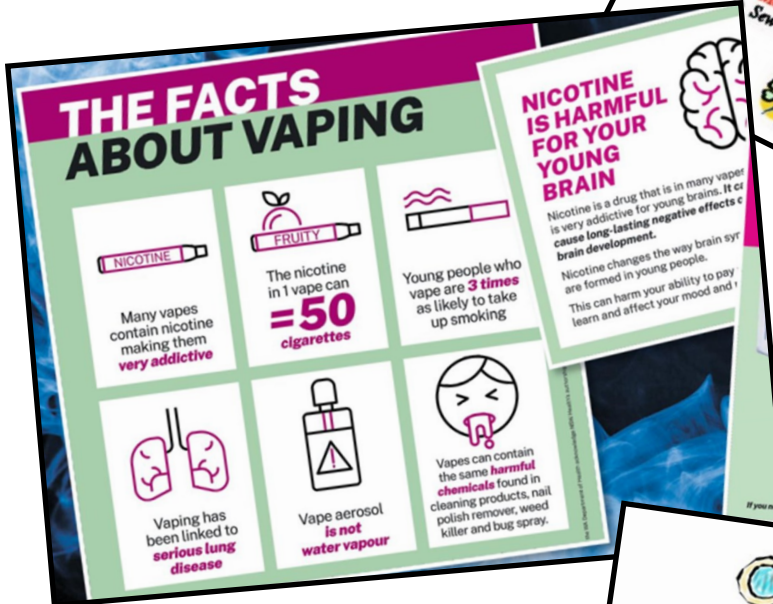

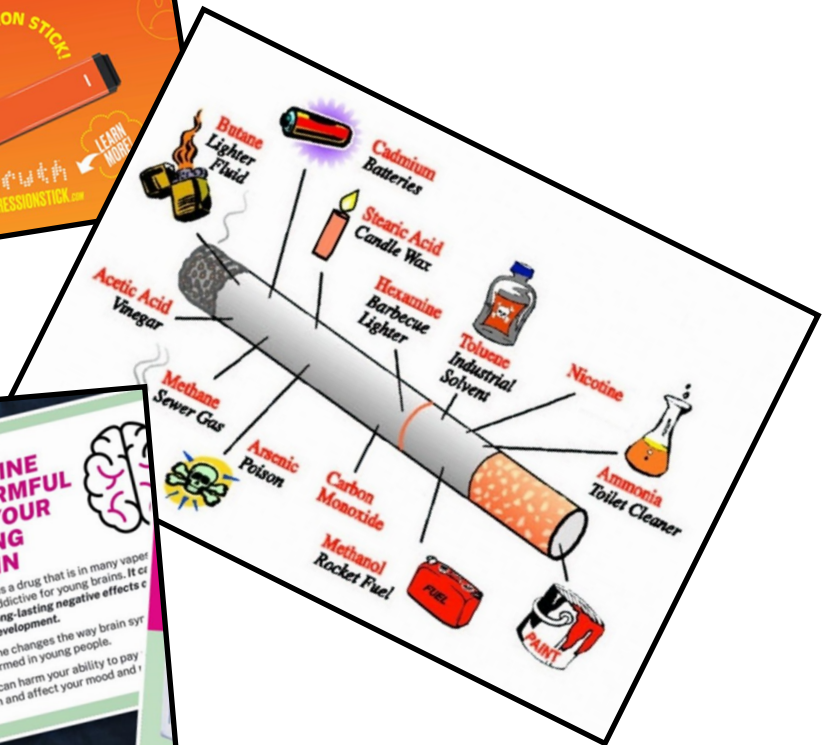

Royal Competition

A competition was held for each group to produce pieces of art and poetry to celebrate the life of the late Queen Elizabeth II, and also to welcome the new King of England, Charles III.

Topic of the Term

Weekly PSHE Term 1

At NHA, we find opportunities every week to explore, learn, and discuss: current affairs, historic moments, and national and international events, to further develop learning and progress.

Below are some of the topics we have explored. Please discuss these with your child, to find out what they now know, that they didn't know before!

International Literacy Day

Since 1967, International Literacy Day (ILD) celebrations have taken place annually around the world to remind the public of the **importance of literacy** as a matter of dignity and human rights, and to advance the literacy agenda towards a more literate and sustainable society. Despite progress made, literacy challenges persist with at least 771 million young people and adults lacking basic literacy skills today.

Roald Dahl Day

To commemorate him and his achievements, Roald Dahl Day happens every year on his birthday - **September 12th** - celebrating the magic that he brought and continues to bring to children everywhere.

Hazing and Rituals

Hazing is a ritual that involves **risk, pain, or harm**, typically as part of initiation into a group.

College hazing often entails excessive alcohol consumption and ritualized pain endurance. Over half of college students involved in sports or clubs have experienced hazing.

Yom Kippur

Yom Kippur is the **holiest day of the Jewish year** and marks a time for atonement through fasting and prayer. Jewish men pray at the Western Wall during Yom Kippur in the Old City of Jerusalem.

World Mental Health Day

10 October every year. The theme of 2022's World Mental Health Day, set by the World Federation for Mental Health, is '**Make mental health and wellbeing for all a global priority**'.

Black History Month

Black History Month was created to focus attention on the **contributions of African Americans** to the United States. It honours all Black people from all periods of U.S. history, from the enslaved people first brought over from Africa in the early 17th century to African Americans living in the United States today.

Autumn Equinox

Two moments in the year when the **Sun is exactly above the Equator** and day and night are of equal length; also, either of the two points in the sky where the ecliptic (the Sun's annual pathway) and the celestial equator intersect.

European Languages Day

The European Day of Languages is observed **26 September**, as proclaimed by the Council of Europe on 6 December 2001, at the end of the European Year of Languages, which had been jointly organised by the Council of Europe and the European Union.

Post 16 Provider Open Events 2022-2023

All Post 16 providers offer **Open Days or Open Evenings** throughout the year. In Bristol and the surrounding area, there is a great selection of different Post 16 Providers that offer everything from vocational courses and Apprenticeships to T Levels and Traineeships.

Listed below are the places that students tend to go after Year 11 and Post 16 and details of their open events. **Check on their websites as you will generally need to book online.**

The main colleges in the area: **City of Bristol College, SGS College & Bath College.**

Post 16 Centre	Website	Open Event

October Half Term Works

Avon Lounge refurbishment - New fire compartmentation, full re-decoration and new carpets

Removal of old bathroom and conversion into a new meeting/office space

[This Photo](#) by Unknown Author is

New Fire risk assessment to be completed

Old field fence to be repaired

New cooled water fountain to be installed in the dining room

Old bedroom doors being replaced in care areas

Installation of additional new CCTV

Plus lots of decorating and general maintenance jobs

Notton House Academy
Facilities Available to Hire

Sports Hall

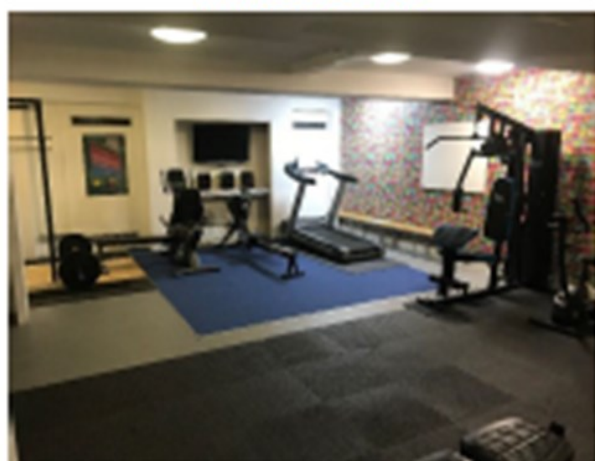

Astro Pitch

Football Pitch

Fitness suite

Various Classrooms

Outdoor classroom (Forest school)

All facilities available for £25 per hour (30-minute bookings also available)

To make a booking please visit www.Schoolhire.co.uk

We are recruiting Academy Councillors!

All different,
all equal, all
achieving
together

What we do:

- Make a difference to the lives of young people
- Deliver an aspirational curriculum
- Remove barriers to achievement
- Open doors to Post 16 pathways
- Prepare young people for the wider world

We are looking for:

- Passion
- Energy and enthusiasm
- A desire to make a difference

We are particularly looking for experience in:

- Community engagement
- Strategy
- The education sector
- Managing finance and estates
- Child Mental Health
- Speech and Communication difficulties

What does an Academy Councillor do?

- Acts as a critical friend to the Headteacher and an ambassador for the Academy
- Visits the Academy to gain a better understanding of the Academy's strengths and areas for development
- Embodies the culture of and ethos of the Academy
- Contributes towards the development of the vision and strategic direction of the Academy
- Brings their life experience to the role
- Interacts with Ofsted inspectors

The commitment

- This role is as an unpaid volunteer
- 6 meetings per year
- Up to 6 visits to the Academy per year
- A willingness to undertake training and keep knowledge up to date
- Minimum time commitment 3 hours per month

Interested?

- See our website for more information: <https://www.notton.learnmat.uk/> and <https://www.learnmat.uk/>
- Contact Liz Jahn on elizabeth.jahn@learnmat.uk

Damages at NHA

In tutor times this term, and during residential key working, pupils have been learning about the impact of damages. Kicking a door may seem fun, and harmless, but the impact of costs is **SERIOUS**. Below are some of the materials we used to support the discussions

Money Money Money
What would **YOU** do with
£30,000?

£ Nottton House £

Buy a new car?
Move house?
Go on a number of
luxurious holidays?

£ Nottton House

What if I said I could treat every pupil and their families to a trip to Disneyland Paris?
Wouldn't that be **AMAZING?**
I will buy **you all** a gaming chair and a gaming PC?
A PS4 each or XBOX One?

£ Nottton House £

Unfortunately, I cannot do that and I am sorry.
Truly sorry.
But why not?
WHY NOT?

£ Nottton House £

So what's it worth?

- A bedside unit OR a trip bowling? (£40)
- A bed OR a trip to Thorpe Park? (£100)
- A window OR a camping week away? (£200)
- A door OR ACTIVITY WEEK? (£800)

Alton Towers Nottton House

£ And so what? £
Because...

- Damaging items will result in less money for
 - End of term trips
 - More gaming PCs
 - Residential evening trips
 - Treat nights
- It will also mean...
 - Your parent/s gets a letter asking them to pay
 - They will be called in for a meeting
 - The police may become involved – criminal damage

BOWLING Nottton House

PLEASE can I ask all pupils to **THINK** before causing any more damage.
THINK of what we could spend the money on.
Thank you

£ Nottton House £

Bedroom or classroom door
£1000

Window £150

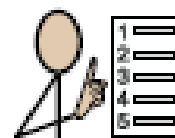

Bedroom Furniture
£100

Hole in Wall
£500

Damages Process

If I cause damage . .

1. The staff member who sees the damage logs it on Every and Sleuth (our computer recording systems) with your name.

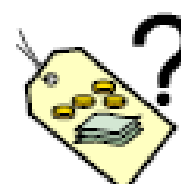

2. Your family will be told and you will have a key working session.

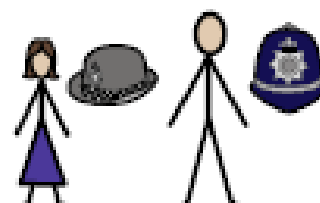

3. Our Bursar (admin office) will share the damage information with our Senior Leadership Team.

4. The site team will let the Bursar know the cost of the damage.

5. The police may be contacted depending on what the damage is.

6. A discussion will be had about repair work.

7. The plan is then shared with your key staff.

8. A letter will be sent to your family about the damage you have caused, the cost and the repair plan.

9. You will complete an activity to make amends for the damage you have caused, This could include fixing the damage, cleaning graffiti, weeding, painting, tidying, sweeping, litter picking.

What is on offer?

Family
Support

We are here to help working together to support your family's journey.

Coffee
Mornings

This is a great time for getting together, a chance to make new friends and an opportunity to learn new skills.

1:1
Advice

Individual time to discuss any worries or concerns.

Notton House are proud to offer a warm and welcoming open door for all families.

The safety, happiness and well being is at the heart of everything we do.

It takes a community to raise a child.

Family Support at Notton House Academy

Notton House offers families support . . .

We run regular coffee mornings offering information and help to access services available to you in your local area.

We also offer family support on a 1:1 basis.

Suzie Sylvester is a Family Liaison Worker at Notton House Academy. Suzie works with many of our families at Notton and is always on hand to answer questions and offer support.

Please contact her on:

01249 730 407 or

direct on 07775026336 or

suzie.sylvester@notton.learnmat.uk

Families Coffee Morning @ NHA

When:
**Wednesday 9th
November**

Discussion
Topic:
Anti-Bullying

Time:
**11am-
1pm**

ALL welcome!

RSVP: admin@notton.learnmat.uk

Please can I remind all families of the Uniform Policy:-

Uniform:

School Uniform

A compulsory Notton House polo shirt (Royal Blue)

A compulsory Notton House sweatshirt (no hood) or grey fleece

Black or Grey Trousers (No tracksuit bottoms allowed except for P.E. lessons)

Black Shoes (no other colours permitted)

P.E. Kit

Students are permitted to wear their own PE kit but this must not include items with large logos.

Trainers (no black soles are permitted for indoor P.E. lessons)

Trousers can be purchased from supermarkets such as ASDA or Tesco.

School polo shirts, sweatshirts and fleeces are available for purchase directly from school. All the garments offer excellent value for money and are made from hard wearing, machine washable fabrics, embroidered with our logo.

Price List

Item	Size	Cost
Polo Shirt	9/10, 11/12	£6.50
Polo Shirt	S/M/L	£8.50
Sweatshirt	12/13	£7.00
Sweatshirt	S/M/L/XL	£8.50
Fleece	Youth L/XL	£11.00
Fleece	S/M/L/XL	£13.70
