

Term 4 Newsletter 2022 – 2023

Message from Michelle Reysenn – Headteacher

The sun was shining, the daffodils bloomed, and then.... It rained again! I really thought Spring had arrived, but it seems to be hiding behind those dark clouds. Alas, we must not let the wet weather dampen our spirits, as there is so much to look forward to during the summer terms, and let's take this opportunity to celebrate all of the amazing learning and achievements from term 4.

The snow came, and such fun was had; pancake day was 'flipping' good fun; career's week was a huge success with a visit to Knowle DGE; D of E practice walks took place; mock exams happened with ease; science week flew past us with a paper aeroplane challenge... and there is so much more to read about within this newsletter, across both education and care.

Patrik enjoyed a birthday bingo., and pupils in lower school loved winning some prizes to help him celebrate. Rio and Reagan have been attending The Wheels Project and learning how to build a go-kart. Reagan also took part in an end of term karting competition. It was wonderful to welcome back ex pupils and learn about their ongoing successes, and we wish all the very best to Harry, Reagan M, and Turrell, as they continue on their journey into adulthood.

Term 4 brought us our very first competitive football match for some time, against Hardenhuish School, the first of many to come. Bennito has been working with Jess on expanding his musical knowledge and ability, and really valued his time at a local music shop. Outdoor education continues to be popular across all year groups, and some classes have continued to explore local areas including the Wiltshire white horses, whereas others have loved geocaching with Ollie.

And finally, you will be able to read about your child's progress in their second report of the academic year. I had the pleasure of reading all of these, and I genuinely feel proud of all pupils, for all of the different forms of progress made, whether it be wearing school uniform, improving their attendance to school, trying new activities, or for simply, going to class and trying their best.

Please do have an EGG-citing Easter, filled with EGG-cellent opportunities, and we look forward to welcoming pupils back on Monday 17th April.

Term 4 WINNERS!

College (14-16)	Tom P, Anthony, Adam

Science Week: STEM Paper Aeroplane Challenge

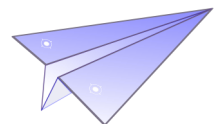

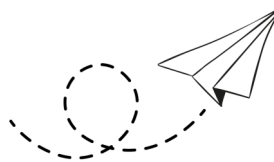

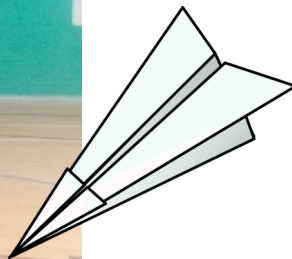

Tom demonstrates excellent technique whilst releasing his plane. He works well to obtain 4th place overall against some tough competition.

Jack dresses for the occasion and is able to take 2nd place, going ahead of Mollie who is looking on with disappointment as she moves further down the leader board.

William makes use of an excellent plane design and takes a solid first place. He also has the single longest distance of the day recorded as 18 paces. Well done William!

Final Results:

Name	1	2	3	4	5	Total	Place
Bobby	6	3	4	5	5	23	8
Chantel	12	11	12	8	11	54	5
Cameron	11	8	10	6	10	45	7
Mollie	10	12	13	9	17	61	3

Tom	13	11	10	15	8	57	4
Jack	10	14	10	15	14	63	2

PEWSEY & DEVIZES

Term 4

Natalie, Sarah, Steve, Amy, Chantal, Leann, Sammy
Emma and Jane.

It has been another busy term and we can't believe that we are halfway through the academic year already! The children are now settled and have had an enjoyable term, they especially loved playing in the snow!

The children have been busy working on their One Up targets. Patrik has risen to the challenge, and has been using the fitness suite on a regular basis. Go Patrik!

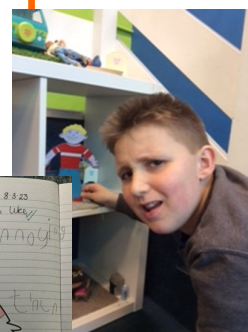

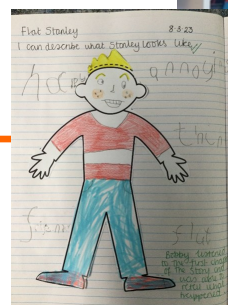

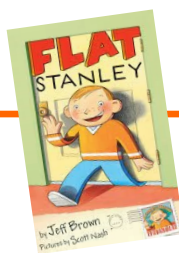

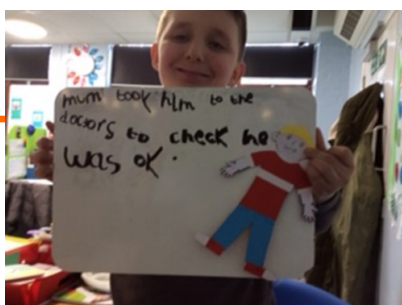

ONE UP My **ONE**
UP Target is...

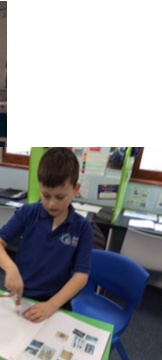

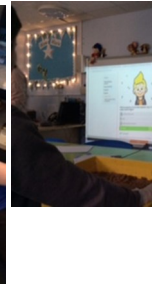

In SMSC we have been learning all about Brazil and the Amazon rainforest. The boys have made some beautiful pictures of colourful parrots that can be found in the amazon!

In English, we have studied Flat Stanley by Jeff Brown. We have enjoyed looking at character descriptions and tried to predict what might happen in the book.

Flat Stanley made a guest appearance in the doll's house in Devizes classroom. His adventure continues.....

In Science the children have been learning about different types of materials and their properties.

They have had lots of fun conducting experiments through messy play.

Kai has been working hard on his maths this term! Well done Kai!

In Maths, this term we have developed our numeracy by concentrating on time and fractions, whilst also continuing with fundamental mathematical skills.

In Humanities, our topic has been the Great Fire of London. The children have created some amazing pictures in art with Ron.

Outdoor education is one of our favourite activities! We have been going to parks, played in the snow, jumping in streams and puddles.

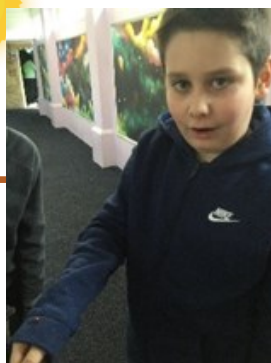

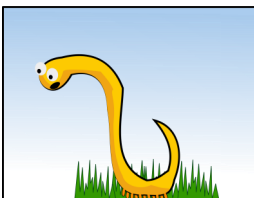

Joey has found a ladybird. He named it Jamal!

Hello Jamal!

Bobby found a worm. Bobby enjoyed looking for insects around the school grounds.

We are looking forward to the summer term when we can visit the lakes and have another go at paddleboarding.

Pancake Fun

With thanks to Ron for helping pupils in Devizes and Pewsey classes, making pancakes on Shrove Tuesday, and also for facilitating a pancake race! The photos are brilliant

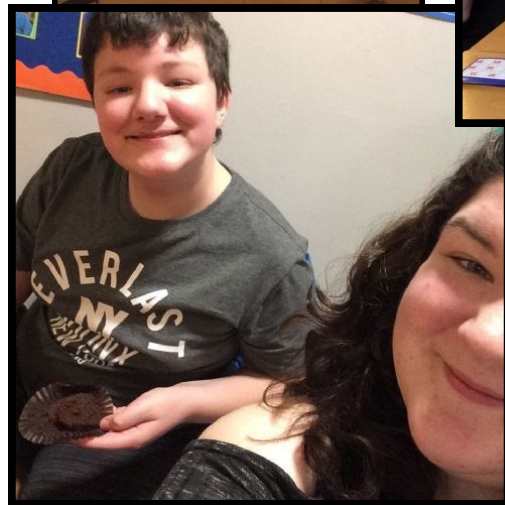

Birthday Bingo!

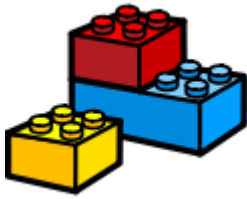

It was Patrik's birthday, and staff and pupils enjoyed celebrating with him, by playing bingo! There were some great prizes.

Learning Support

Term 4 Lego Based Therapy

Welcome Bobby, Patrik and William from Pewsey Class.

Students work in groups of two or three taking on the role(s) of either the engineer, the supplier or the builder.

My job title is...

Engineer

My role is...

To look at the instructions and tell the rest of the group which bricks they should be using and where they should go.

My job title is...

Builder

My role is...

To follow the instructions that I have been given by the Engineer and put the pieces together

My job title is...

Supplier

My role is...

To find the bricks that I have been asked to look for by the engineer and give them to the builder

Aims of Lego Group:

Positive turn taking

Encourages students to work together

Develops communication skills

Promotes problem solving

Supports listening skills

Encourages joint attention

Helps develop vocabulary and learn a range of concepts such as positional language, colour, shape, size

Being able to use describing skills to communicate effectively

Work towards securing Thrive targets

Students are enjoying this group.

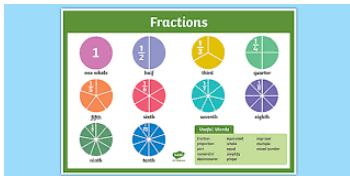

BROAD TOWN

Term 4

With Helen, Nat & Tiff

NUMERACY

This term we have been practicing the 4 operations of number, recognising fractions and identifying multiples and factors. We have also enjoyed our starter activities of 5 a day and playing maths games.

LITERACY

This term our focus has been on newspapers. We have identified features in a newspaper. We have also linked headlines to articles, created our own headlines and written our own newspaper report.

In SMSC this term we have learnt about Brazil. We have looked at where Brazil is in the world, the colours of the flag and facts about the country.

In Cooking this term we have made cakes, cookies, tomato and meatball pasta.

In Science we have looked at human reproduction. This has included learning about male and female reproductive systems, puberty and changes that take place, the menstrual cycle and the fertilisation and development of a baby. We are currently learning about plant reproduction.

On Thursdays we have been going for our weekly swim at Corsham leisure centre.

The boys have been having fun in the pool playing volleyball.

In outdoor education we have visited Westbury White Horse, Box Woods and Penn Wood, a nature reserve.

In PE the class have been playing football, basketball, table tennis and trampolining. Cameron, Josh, Max and Charlie enjoyed playing in the school football match against another local school. All showed great team spirit and loved their trip out.

Welcome Back Boys!

Ex NHA pupils returned for the afternoon to catch up with their 'old' staff, and to see how the site has changed. They even stayed for a game of footie during care time. Thankyou.

Turrell

Reagen

Harry

HACKPEN

Term 4

With Ant & Sharon

A busy term for the wonderful Hackpen class, lots of outdoor educational visits which included rock climbing at The Arc centre in Chippenham, and a walk around our namesake white horse Hackpen, where we made new friends with some extremely friendly ponies.

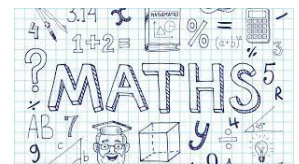

David was part of the football team that visited Hardenhuish school in Chippenham where we played a good game, we lost 6-3 but everyone enjoyed themselves which is what it is all about.

Our SMSC country this term has been Venezuela, we have found out that their government is extremely corrupt and isn't a very nice place to grow up if your poor.

We have been working hard in English and Maths and have thoroughly enjoyed History this term, we have been learning about crime and punishment in Tudor/Anglo-Saxon and Victorian times, we all agreed that we would not have liked to be in trouble in the olden days (apparently when Sharon was born).

We have also welcomed a new pupil from Broad Town class, Josh, he's fitted in perfectly with Hackpen and is quite the chess player. Monopoly Deal card game is quite exciting with Josh playing.

We hope you have a restful Easter and look forward to Term 6.

Ant and Sharon

Hackpen Class visit Hackpen White Horse

News from the Care Areas

News from KS4 Care

Our Lower School Cadet!

Where does Josh keep his
army?.....

Up his sleevey of course!

Josh was awarded
'Cadet of the Month'

and received an engraved
plaque with his name on.

His Cadet leader remarked on
how 'kind, patient and consider-
ate Josh is towards his fellow
cadets and Cadet Leaders.

Well Done Josh!

The Boys have loved building their new
remote-controlled aeroplanes and
then testing them out in the evenings.
With the weather now turning we will
hopefully be able to see how they fly
outside.

Also, there has been a bit more baking
in Montague this time a very tasty
batch of churros!

MARLBOROUGH

Term 4 with Ben, Becky and Mollie

SMSC this term we have been looking at Chile. The boys have been looking into key facts about the country, the population and child rights.

Some of our boys have taken part in football games against local schools in Chippenham. All of the boys represented the school very well and we are super proud of them.

For outdoor education the boys have been fishing, they went to a local river, using nets to catch and release the fish. They managed to catch 7 fish in 30 mins.

We also had a snow day at school with lots of snowball fights between all of the boys and staff.

During science week we took part in a whole school paper areoplane challenge in which 2 of our class were placed in the top 3. The boys spent a long-time watching tutorial and making multiple paper areoplanes to see which ones were the best.

Football Match

On an overcast afternoon, with threatening clouds, Notton House made the short trip down the A350 for their first fixture ever against the powerhouse of Hardenhuish.

With the expectant crowd gathered to watch this inaugural fixture, the Notton House boys were showing glimpses of nerves, as rumours spread about possible academy players in the opposition. These were soon put to rest as coach Shuker reassured the team that Huish would be a fair match.

After a thorough warm up and a brief discussion on formation and tactics the team took to the field, with Notton winning the coin flip, the team chose to play up the hill and into the wind. Just as the referee blew the whistle to start the game, the heavens opened and the rain came lashing down and the temperature dropped by about 10 degrees.

Notton started well and found themselves on the front foot early on, despite the early pressure, the young men from Notton couldn't find a way through the stubborn Huish defence and with the team on all out attack, the defence was left exposed with one long ball from the Huish centre back released the dangerous striker, the young Huish lad only needed on chance and buried it making it 1-0 to Harden.

The second goal followed not long after as some nervous moments at the back meant a loose pass was pounced on and the deadly striker rounded the keeper to make it 2-0. This second goal ignited the fire within Notton and they created their best chance of the half, a through ball from mid-field released Notton's striker, put through 1 on 1, the young man put his shot centimetres wide of the post.

This miss was made worse as Huish quickly went down the other end and capitalised on another break down in communication to make it 3-0. After blowing away the nerves Notton got into the groove and produced their best football of the match, a couple of quick short passes cut open the Huish defence and the ball broke to one of the Notton strikers in the penalty box. A rash tackle from the covering centre back resulted in a penalty to Notton. Despite obvious nerves, the young Notton striker put away the chance to make it 3-1.

Hardenhuish did finish the half on top and went in at half time 4-1 up. At this point the Notton heads could have easily dropped, they were soaked through, cold and losing. However, the boys showed a fantastic attitude and amazing resilience, enough to bring a tear of pride to the watching Notton ultras.

The second half was more of a balanced game as both Notton and Hardenhuish scored 2 goals apiece. As a first venture into proper fixtures against local mainstream schools this can only be described as a massive success, despite Notton coming out on the wrong end of a 6-3 result

the players did themselves, the teachers, the care staff, their parents, their carers and the Notton badge proud.

Team: JIF, CST, DAD, MWH, JMS, TBR, ATR, CMC, NSR

ALTON BARNES

Term 4

With Ron, Karen W and Anzhelika

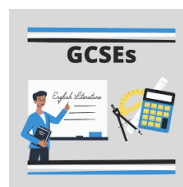

Alton Barnes boys have been very busy in their cooking lessons, pancakes, brownies and pasta dishes have been on the menu. While the boss (Ron) is away the chocolate brownie is dish of the day.

In outdoor ed they have been wall climbing, make bonfires, walking in the woods and around the local areas. The boys took full advantage of a very unexpected snow day at school, they enjoyed making snow angels, snowmen and best of all, having snowball fights.

In SMSC lessons we are learning about life in Peru and how it differs to life in the UK.

All the boys are very happy that their English and Maths assessments are up to date and completed. They're now onto the GCSE revision!

Cherhill

Term 4, Andy, Pete & Chlog.

SMSC

This term in SMSC we have concentrated on **Peru** which is in the north-west of South America.

A few Facts that we have learnt about Peru;

The official language is Spanish

The capital city of Peru is Lima which is the 5th largest city in South America, over 9 million people live there.

Machu Picchu is a city that was built over 600 years ago by the Incas. The Incas had a huge empire that stretched along the west coast of South America. They built towns and cities across the area including high up in the Andes. Machu Picchu is on a mountain that is 2430 metres high.

English

In English we are carrying on with our exam revision, we have completed fiction and non-fiction pieces of writing.

We have also worked on paper 2 comprehension.

Maths

In maths we have completed GCSE exam papers in practice for the real exams.

Mock Exams

In weeks 4 and 5 we sat our mock GCSE exams for English and Maths.

Not only is this great practice for the real thing, it also gives the teachers an idea of the areas that may need more work.

Everyone of the boys who sat the exams did brilliantly and should be super proud of themselves.

Outdoor education

Outdoor education we have had some great experiences,

Including a trip to west Kennet long barrow.

One of the largest, most impressive and most accessible Neolithic chambered tombs in Britain. Built in around 3650 BC, it was used for a short time as a burial chamber, for nearly 50 people

D of E practice

Drew and Caleb accompanied by Paul completed a wellbeing walk in practice for their next D of E expedition.

Learn@ Careers day.

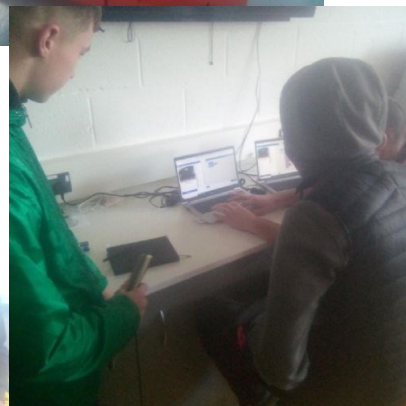

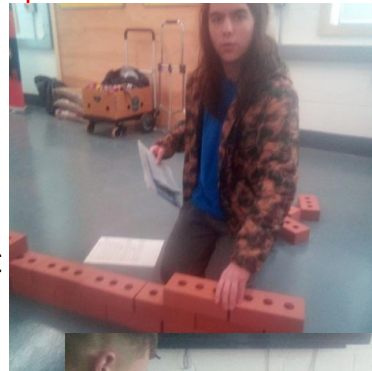

Some of our year 10 and 11 students attended Knowle academy in Bristol for a careers day.

There was different organisations that the boys spoke to, about the next steps they are wanting to take when they leave Notton.

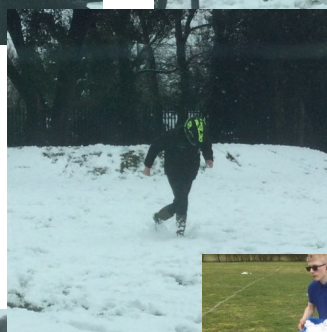

They had the opportunity in the construction room to build a wall, plumbing pipe work and also carpentry.

In the electrical room, they put together a circuit board, and entered data coding on a laptop, in order to make real size traffic lights work.

It was a brilliant day that was enjoyed by the boys and the staff.

There's no business like SN❄️W business!

Examinations at Notton House

Year 11 (and 1 year 10) pupils have kicked off exam season this week with some mock exams in English and Maths. Pupils have been excellent and engaged really well with the process so far. Mocks are a great way of pupils practicing for the real exams. As a result, they can learn a lot about the exam process, find strategies to help them stay calm under pressure and practice using arrangements such as supervised rest breaks.

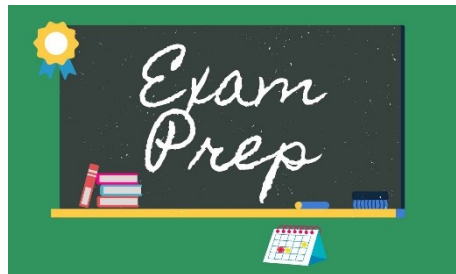

All pupils who have taken exams will also benefit from a detailed Question Level Analysis, where their teachers can analyse the exams to identify strengths and areas requiring further teaching / revision. This process will be taking place over the next two weeks and will help us to adapt teaching to further increase the progress of pupils as we move closer to the summer exams.

If you have a child taking Entry Level or GCSE exams, you will be receiving their exam timetable. These dates are fixed by exam boards and it is essential that pupils are in school a minimum of 15 minutes before the start time for each exam.

I have also included a 'Students' Guide to Examinations'. We will run through this with all pupils at school and you may find the information useful as well.

This term has been a busy one for Westbury! Lots of amazing work inside and outside of school.

In school the boys have been working hard in English and Maths, completing their entry level papers for maths and preparing for the exams in English. Some of the boys have completed their English mock exams over the past couple of weeks and have worked really hard in them. This has been helpful for them so they know what to expect when the real ones come around and also the things they need to work on ready to improve their grades.

Leo has come on leaps and bounds in his eSports BTec course. He has almost completed all of the units and is nearly ready to be assessed. He has really enjoyed working on this and has found it really interesting.

Reagan has carried on attending Rocksteady on a Monday afternoon in Bristol. He loves this and is currently working on making a coffee table which he will then take home and use in his own house. He has also started to attend wheels this term where he has been taking apart and then putting back together a Go Kart. Reagan has really enjoyed this and especially loved the trip to go Racing he went on this week.

Reagan, along with Connor have worked really hard in PE and have both completed their unit one of their course where they have looked at next steps and what their goals are for their future.

Brandon and Bennito are still loving attending Kandu Arts on a Thursday. Both boys enjoy using their recording studio and Brandon has written, played and sang his own song which is amazing.

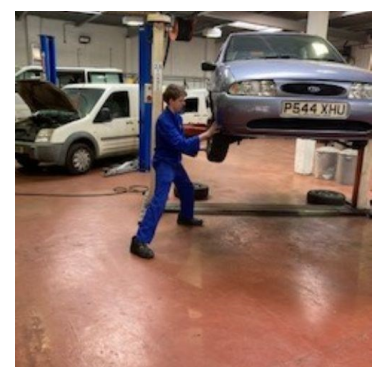

As a class, we have been learning lots about our country of the term which is Colombia. We enjoy looking at different foods that are eaten in our chosen country, compared to the foods we eat at home.

The Wheels Project

Rio and Reagan are really enjoying their Friday timetable at The Wheels Project. I think Pete is enjoying his time there too!

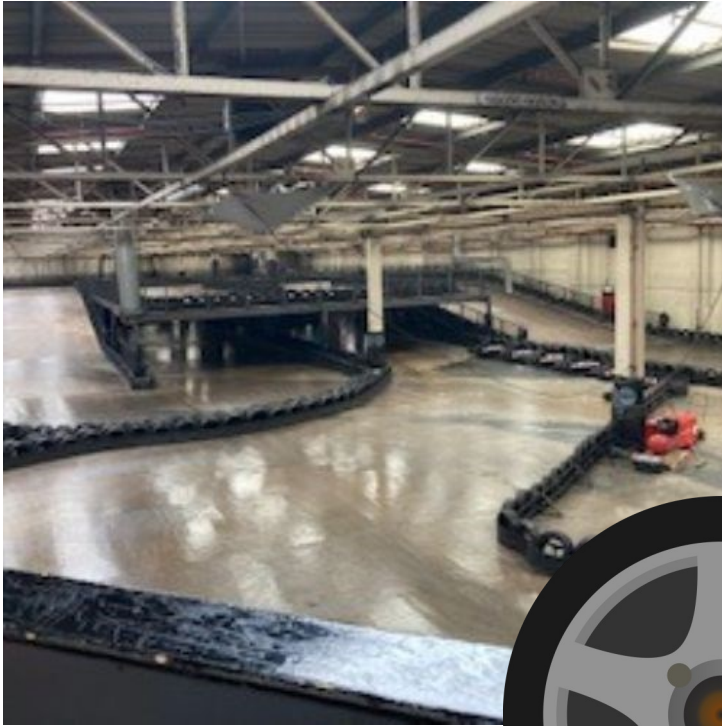

The Wheels Project

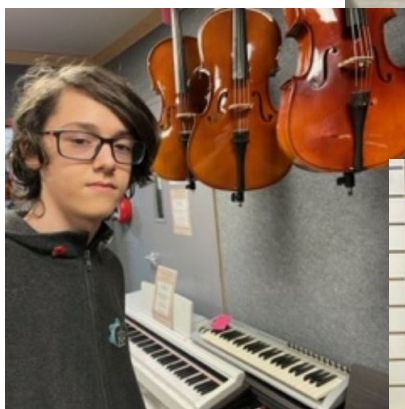

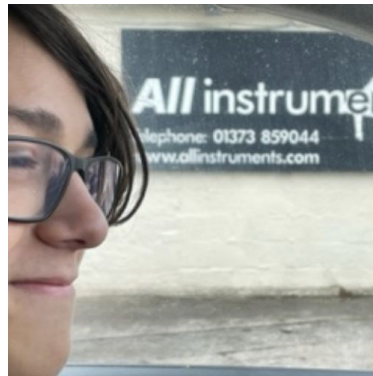

Reagan took part in a karting competition to finish the term off with speed!

Musical Instrument Shopping

What a lovely day Jess and Bennito had, shopping for musical instruments. Bennito has a talent for playing the double bass.....we better check what the cost is! But, I have my eye on that white piano with purple lighting....beautiful!

Can you spare just a few hours each month to befriend and support a young person in care?

Becoming an Independent Visitor can be very rewarding for you and life changing for a young person in care whilst you're being a consistent and supportive person in their life.

Find out more at IVScheme@wiltshire.gov.uk or by visiting wiltshire.gov.uk/children-young-people-independent-visitor-scheme

Wiltshire Council
Where everybody matters

Ever thought about volunteering?

Wiltshire's Independent Visitor Scheme is looking for people who can spare a couple of hours of their time every 3-4 weeks.

Volunteers are needed across Wiltshire

to befriend children in care. Young people living away from their families often really value having a consistent independent person who can take a special interest in their lives.

Wiltshire Independent Visitor Scheme is looking to take on more independent visitors to fulfil this valuable and rewarding role. Volunteers are needed who can communicate well with young people, share in their interests and who have regular time to spare.

If you are interested in knowing more please contact the scheme on

IVScheme@wiltshire.gov.uk

"My IV is awesome and lots of fun; he makes me happy."

Post 16 Provider Open Events 2022-2023

All Post 16 providers offer **Open Days or Open Evenings** throughout the year. In Bristol and the surrounding area, there is a great selection of different Post 16 Providers that offer everything from vocational courses and Apprenticeships to T Levels and Traineeships. Listed below are the places that students tend to go after Year 11 and Post 16 and details of their open events. **Check on their websites as you will generally need to book online.**

The main colleges in the area: **City of Bristol College, SGS College & Bath College.**

Sixth Form Centre Open Events

Post 16 Specialist Colleges and Training Providers

If you haven't made up your mind about where you want to go, you can apply for different courses/providers that you are interested in, and then decide once you have received your GCSE/Functional Skills results

Post 16 Centre	Website	Open Event
City of Bristol College – 4 Centres: College Green Ashley Down South Bristol Skills Academy AEC – Engineering & Motor Vehicle	www.cityofbristol.ac.uk	10 Jun 10am-1pm (All sites)

We are recruiting Academy Councillors!

All different,
all equal, all
achieving
together

What we do:

- Make a difference to the lives of young people
- Deliver an aspirational curriculum
- Remove barriers to achievement
- Open doors to Post 16 pathways
- Prepare young people for the wider world

We are looking for:

- Passion
- Energy and enthusiasm
- A desire to make a difference

We are particularly looking for experience in:

- Community engagement
- Strategy
- The education sector
- Managing finance and estates
- Child Mental Health
- Speech and Communication difficulties

What does an Academy Councillor do?

- Acts as a critical friend to the Headteacher and an ambassador for the Academy
- Visits the Academy to gain a better understanding of the Academy's strengths and areas for development
- Embodies the culture of and ethos of the Academy
- Contributes towards the development of the vision and strategic direction of the Academy
- Brings their life experience to the role
- Interacts with Ofsted inspectors

The commitment

- This role is as an unpaid volunteer
- 6 meetings per year
- Up to 6 visits to the Academy per year
- A willingness to undertake training and keep knowledge up to date
- Minimum time commitment 3 hours per month

Interested?

- See our website for more information: <https://www.notton.learnmat.uk/> and <https://www.learnmat.uk/>
- Contact Liz Jahn on elizabeth.jahn@learnmat.uk

Please can I remind all families of the Uniform Policy:-

Uniform:

School Uniform

A compulsory Notton House polo shirt (Royal Blue)

A compulsory Notton House sweatshirt (no hood) or grey fleece

Black or Grey Trousers (No tracksuit bottoms allowed except for P.E. lessons)

Black Shoes (no other colours permitted)

P.E. Kit

Students are permitted to wear their own PE kit but this must not include items with large logos.

Trainers (no black soles are permitted for indoor P.E. lessons)

Trousers can be purchased from supermarkets such as ASDA or Tesco.

School polo shirts, sweatshirts and fleeces are available for purchase directly from school. All the garments offer excellent value for money and are made from hard wearing, machine washable fabrics, embroidered with our logo.

Price List

Item	Size	Cost
Polo Shirt	9/10, 11/12	£6.50
Polo Shirt	S/M/L	£8.50
Sweatshirt	12/13	£7.00
Sweatshirt	S/M/L/XL	£8.50
Fleece	Youth L/XL	£11.00
Fleece	S/M/L/XL	£13.70

Sun	3	10	17	24		

October 2023						
Mon		2	9	16	23	30
Tue		3	10	17	24	31
Wed		4	11	18	25	
Thu		5	12	19	26	
Fri		6	13	20	27	
Sat		7	14	21	28	
Sun	1	8	15	22	29	

November 2023						
Mon		6	13	20	27	
Tue		7	14	21	28	
Wed	1	8	15	22	29	
Thu	2	9	16	23	30	
Fri	3	10	17	24		
Sat	4	11	18	25		
Sun	5	12	19	26		

December 2023						
Mon		4	11	18	25	
Tue		5	12	19	26	
Wed		6	13	20	27	
Thu		7	14	21	28	
Fri	1	8	15	22	29	
Sat	2	9	16	23	30	
Sun	3	10	17	24	31	

January 2024						
Mon	1	8	15	22	29	
Tue	2	9	16	23	30	
Wed	3	10	17	24	31	
Thu	4	11	18	25		
Fri	5	12	19	26		
Sat	6	13	20	27		
Sun	7	14	21	28		

February 2024						
Mon		5	12	19	26	
Tue		6	13	20	27	
Wed		7	14	21	28	
Thu	1	8	15	22	29	
Fri	2	9	16	23		
Sat	3	10	17	24		
Sun	4	11	18	25		

March 2024						
Mon		4	11	18	25	
Tue		5	12	19	26	
Wed		6	13	20	27	
Thu		7	14	21	28	
Fri	1	8	15	22	29	
Sat	2	9	16	23	30	
Sun	3	10	17	24	31	

April 2024						
Mon	1	8	15	22	29	
Tue	2	9	16	23	30	
Wed	3	10	17	24		
Thu	4	11	18	25		
Fri	5	12	19	26		
Sat	6	13	20	27		
Sun	7	14	21	28		

May 2024						
Mon	6	13	20	27		
Tue	7	14	21	28		
Wed	1	8	15	22	29	
Thu	2	9	16	23	30	
Fri	3	10	17	24	31	
Sat	4	11	18	25		
Sun	5	12	19	26		

June 2024						
Mon		3	10	17	24	
Tue		4	11	18	25	
Wed		5	12	19	26	
Thu		6	13	20	27	
Fri		7	14	21	28	
Sat	1	8	15	22	29	
Sun	2	9	16	23	30	

July 2024						
Mon	1	8	15	22	29	
Tue	2	9	16	23	30	
Wed	3	10	17	24	31	
Thu	4	11	18	25		
Fri	5	12	19	26		
Sat	6	13	20	27		
Sun	7	14	21	28		

August 2024						
Mon		5	12	19	26	
Tue		6	13	20	27	
Wed		7	14	21	28	
Thu	1	8	15	22	29
