

NHA Student Council 19.05.2023

Attendees: DAd, JIF, CMa, WBa, CBa, APa Apologies: JMs, TPr, PMa, BLE

Today's Agenda:

- Update on gaming PC's - Vouchers have been ordered and games list sent to Oakford for download.
- SC Badges have been ordered.
- Bikes Update - Bike are serviced in the summer holidays. Project for someone who would like to help sort through the broken bikes etc.
- Gammon now added the roast menu. Kitchen are awaiting a response on Friday dining room lunches.
- Pupil voice to support our application for some funding of an afterschool club.
- Collection of questionnaire created by JIF (Vice-Chair) around role of an SC member.

Has everyone seen the minutes from the last meeting? That the minutes ok? Yes, all agreed.

Would anybody like to mention anything important before we start? No

Topic 1: Reminders around expectations of pupil behaviour during the SC meetings. Including waiting for others to finish speaking and not shouting out. Much better meeting this time.

Topic 2: All happy regarding the ordering and soon to be downloaded new games for the gaming suites. Request for further console games to be brought for the areas. Games suggested, FIFA.
APa to pass this onto LGa.

Topic 3: Bike update from Ben: Halfords are coming in over the half term to perform a full service on all bikes and attempt to fix/reuse parts of the older/broken bikes to provide us with a full set again. Reminders to the SC that these will last longer if pupils look after them and don't throw them in and out of the container. The SC have asked for more larger helmets to be purchased and for the current ones to be checked as a few have either crack's in them or the straps are broken.
APa to pass this onto BRe.

Topic 4: The SC want to thank the kitchen staff for putting gammon on the roast menu. The also asked about eating back in the dining room on Friday afternoons. Buffet/picnic style lunches. **APa to follow up if this is possible.**

Topic 5: Funding Application: The SC have chosen some sporting activities they would like further coaching in as part of an after-school club. These include Trampolining, swimming, football, basketball, tennis, fencing and mountain biking. The SC have asked for this to be structure weekly sessions. **APa to pass this onto BRe.**

AOB: Email update read to the SC from LGa regarding school jumpers. A test jumper has been ordered and we will seek pupil voice on this once it has arrived.

JIF collected of SC questionnaire around roles within the council.

SC raised about wanting mouse pads for the computers across the school and in the LS gaming suite. **APa to email Oakford. CNE may have some. Please ask.**

SC have asked for more playground toys i.e. scooters, playground activity toys. As the LS ones are looking worn out and often issues as pupils only want the swing. More things to keep pupils interested. The SC have also asked for new hammocks to ordered as they have now broken up by the poly tunnel. SC reminded to ask their class group to treat equipment with respect to prevent these from becoming damaged. **APa to speak with MRe.** PKE may have some already.
