Has everyone seen the minutes from the last meeting? That the minutes ok?

Yes, all agreed.

Would anybody like to mention anything important before we start?

Lakes in the evening; Football fixture vs Brook

**Topic 1:** ABr Survey - The SC were confused on why it wasn't a specific author. Subject was continually interrupted. APa to ask ABr to next meeting to explain. **APa to ask ABr.**  
SC agreed that they have liked the author of the term this term and this seems to have been a success across the school.

**Topic 2:** Update regarding the recent service to the bikes and puncture repairs. Email provided by BRe. SC excited to have the funding for multi sports activities club confirmed. Football and trampolining are the top two chooses currently. **APa to ask BRe.**

**Topic 3:** One4All vouchers. All bar one of the SC hadn't heard of it. The SC asked instead of steam vouchers (these are unavailable) could Microsoft or epic games vouchers be purchased instead?  
**APa to ask CNe.**

## Topic 4:

Meet a staff member - SC agreed that this is a good idea but not for every meeting. The SC have suggested once a term. **APa to arrange this.**

## Topic 5:

Goodbye to Phin who is leaving the SC after his final exam today. Good luck for the future. Also, to all the year 11 who are leaving Notton. **Tutors to pass on to their pupils.**

## AOB:

- Lakes in the evening - DAd raised can Avon go to the lakes in the evening. This might be a possibility but would need looking into. Maybe as lower, middle, upper. End of year, just for transition to new areas. **APa will speak with DHOCs and LGa.**
- JIF and JMs raised that can we have an outdoor swimming pool (paddling pool) to accompany the slip and slide? Concerns raised over whether this would be treated correctly and how can we keep people safe. **APa to investigate.**
