

Term 6 Newsletter 2022 – 2023

Message from Michelle Reysenn – Headteacher

Dear Families

It's been a long and hot one this term, but strangely enough, in line with the British weather, we have experienced some 'wetter' days, and these have not always been brought to us by the daily forecast!

On those super scorching days, we have had the slip n slide on the field, to cool down, and have fun; the lakes have been a welcomed relief as part of our Outdoor Education curriculum; swimming has continued in lower and middle school; and the Duke of Edinburgh expedition reminded us all, that when it rains, it really does pour!

In contrast to this strange water related theme, lower school residential care staff and pupils, loved their visit to the Chippenham Fire Service, and pupils in middle and upper school, enjoyed their reward trip out to the Tank Museum.

Term 6 has also brought us Arts Week, with a range of activities and events taking place across the curriculum, as well as, more competitive football matches with other schools, and daily trampolining as part of the pe summer curriculum programme. Bombie, the tortoise visited for a day, and Linda, our SENDCo, secretly brought in two new school cats, to sort out the rats and mice! Nothing is ever a secret at Notton, as the pupils always tell me them!

Finally, we say goodbye to thirteen year 11 students, and wish them all the very best next year, but we also say hello to many new students. Welcome to Chester, Kaiden, Kory, Oakley, Blake, Tommy, Riley, Mike, and Kayden. And even more will be starting soon.....

For now, I wish you a peaceful and restful summer holidays. When we return in the autumn term, Notton House Academy will no longer be part of Learn@ MAT, but instead we will be part of MNSP, a much larger trust, and we all welcome this new chapter, for further school improvement.

Stay safe. Wear sun cream. Or stay inside!

Michelle.

Welcome to Midsomer Norton Schools Partnership

The Midsomer Norton Schools' Partnership was founded in 2009 following the hard federation between Norton Hill and Somervale Secondary Schools. Since this point the Trust has grown to include other secondary schools and a large number of primary schools, which are all located in the Southwest of England: Bath and North East Somerset, Somerset and North Somerset. The full list of schools that are members of the Trust are shown above.

Midsomer Norton Schools' Partnership provides support and challenge to all of our schools so that our entire community of children and young people can achieve their best. The unique character of each school is celebrated and nurtured to ensure choice and variety in educational provision. The Trust is committed to providing a broad, balanced and aspirational curriculum in all of its schools, so that all children and young people develop the character and qualifications needed to open doors to their future success. A strong focus on developing and providing inspirational teaching and leadership in all schools, through school-to-school improvement, ensures outstanding progress and educational enjoyment for all members of our partnership's community.

Our Trustees believe that through effective and true collaboration, excellence can be achieved in all of our schools. The Trust does not seek to make all schools the same, but through sensible standardisation of practices and outstanding support and challenge, they aim to ensure all schools within the Trust are 'good' or better.

Term 6

Natalie, Sarah, Steve, Amy, Chantal, Leann, Sammy
Emma and Jane.

We have had a wonderful term! The weather has been glorious and the children have been making the most of it by spending plenty of time playing outside.

Swimming: The children have been making wonderful progress in their swimming. It has been so lovely to watch their skills improve and their confidence grow.

Water fights: On very hot days, the boys have enjoyed epic water fights splashing each other on the playground with water guns.

Slip and Slide: The slip and slide was out on the field for all to enjoy in the warm weather. The children had fun com-

peting against each other to see who would be able to slide the furthest!

The Lakes: The boys have enjoyed going to the lakes for their outdoor education every fortnight. Some were hesitant to try at first, but as the weeks went by, they have risen to the challenge and had a go at kayaking, paddle boarding and jetty jumping.

Trip to Bowood: The children have had an amazing fun-filled day spent playing in the adventure playground, exploring the grottos, enjoying a refreshing splash in the waterfall, all finished with a delicious ice cream treat!

Trip to John Coles Park: The boys have loved their trip to John Coles Park, where they had fun playing in the playground, and in the splashpad area.

Chester and Kaiden have enjoyed getting to know each other and made the biggest bubbles they can!

Science:

The children have been learning the different parts of a plant and what they need to help them grow. They have also been experimenting by growing their very own runner bean plant! Some grew very tall!

SMSC: This term, we have been learning about Japan and how Japanese children are taught to be independent from a very young age. The children were surprised to see that young children walk in the city and take public transport to and from school on their own.

Maths: In maths, we have enjoyed learning about statistics and the interesting and different ways data can be presented and how to interpret it.

English: In English all the children have engaged well with their Read Write Inc activities and their reading has been steadily improving. We have combined the subjects of English and Humanities to investigate the topic on the seaside. We have looked at what seaside holidays looked like during Victorian times and explored the differences with holidays in the present time.

We hope you all have a lovely and relaxing summer and we look forward to the pupils returning in September!

Arts Week at NHA

Wonderful photos from Arts Week in lower school, with pupils and staff doing leaf rubbings, making nature paint brushes, but the highlight must have been making the tie-dyed t-shirts!

Pewsey Class have been looking at hibernation - what it means and what types of animals hibernate.

Jane bought her tortoise, called Bombie, in from home - we asked lots of questions and discovered what a tortoise feels like to touch.

Bombie travelled safely into school!

Cuddles and feeding time with Taylon

Kacper

William

Patrik

Bobby

Kory

Joey

We all enjoyed holding Bombie and he even had a little time on the swing with Joey!

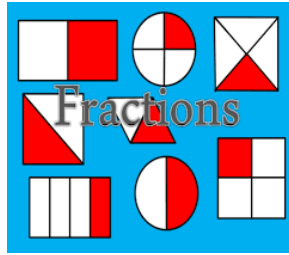

BROAD TOWN

Term 6

With Helen, Nat & Tiff

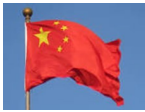

NUMERACY

This term we have looked at finding fractions of shapes and numbers. We have also measured and drawn objects of different lengths. Some of us have calculated areas of shapes. We have all practised the four operations of number.

LITERACY

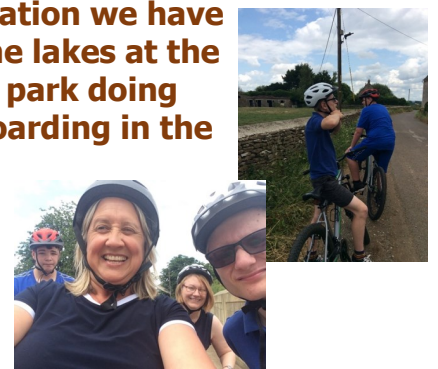

This term we have focussed on advertising. We have enjoyed playing many quizzes to guess logos and slogans. We have designed our own too. We've discussed the positives and negatives of advertising. We have covered advertisements for holidays, food, films and more.

In SMSC this term we have learnt about China! We have researched facts about the country, drawn the flag and done lots of activities.

In outdoor education we have been going to the lakes at the Cotswold Water park doing lots of paddle boarding in the sunshine! We also went out on a bike ride in the local area .

We had an end of term trip to 'Jungle Parc' at Lydiard Park. The boys had an amazing time and enjoyed climbing amongst the high trees.

In PE this term we have enjoyed football and lots of trampolining.

On a very warm, verging on hot, Tuesday afternoon, Notton House football team made the trip to Gloucester to play the first leg of the fixture against Brook Academy. With tunes blaring out of the radio, the journey flew by, but as the school drew nearer, the nervous energy in the bus became evident.

The Notton team strolled out of the bus and were met by a familiar face, as Nathan D was on his 2-week secondment to Brook Academy. Following a quick tour of the grounds and a little toilet stop, the boys got their match shirts on and started to get themselves warmed up.

With news breaking that Brook's star player was ill, the confidence amongst the players grew. Before the game got underway, it was decided to play 4 quarters of 10 minutes. This would allow plenty of time for the players to rehydrate in what was turning out to be a baking hot day.

Notton took to the field with Josh in goal and a back three of Max, Jacob and Charlie, a midfield three of Theo, Junior and Adam, who hoped to lend support to Cameron as the lone striker. The game started slowly as both teams tried to find their way on a smaller pitch, but it was Notton who had the first opportunity as a fine strike from distance stung the hands of the Brook goal-keeper. The game remained level as the first quarter neared its end, however a fine passing move from Notton allowed space for Cameron to open his and Notton's account to make the score 1-0.

The second and third quarters saw Notton on top as Cameron scored 4 more and Adam grabbed 4 of his own. Brook could easily have let their heads drop and their spirits dissipate, but this was far from what happened and as the 4th quarter started, Brook found space around the edge of the Notton box and managed to score their first ever competitive goal. The crowd went wild and the celebrations could be heard for miles around. Notton finished the game strongly as midfield powerhouse Junior slotted home from a tight angle to finish the game.

In games like these the final score and the winning is irrelevant, as the smiles on all the players' faces were enough to show how much fun had been had. Notton are looking forward to hosting Brook for the return leg in July.

HACKPEN

Term 6

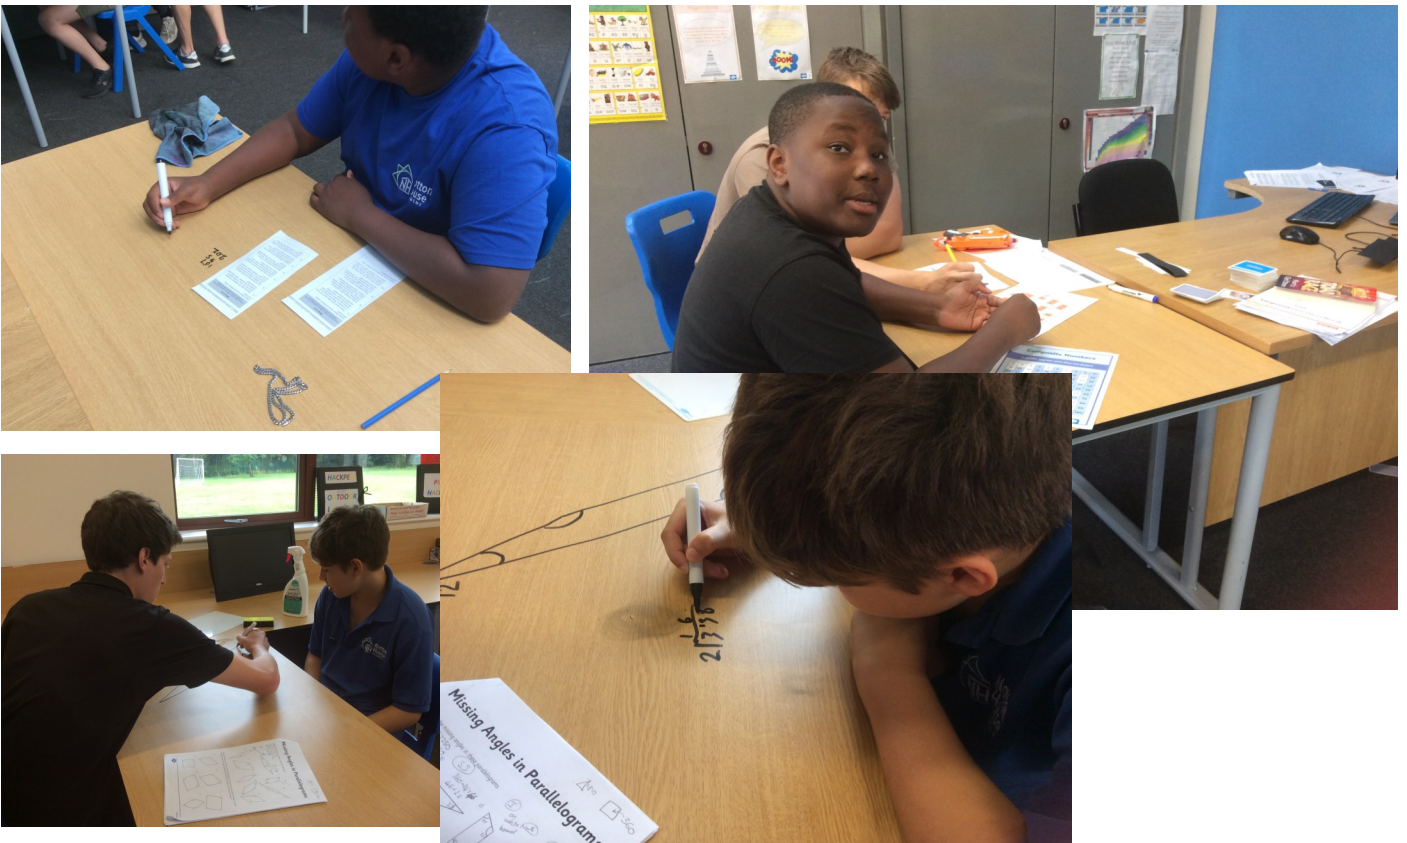

With Ant, Sharon & Will

How time flies when you're having fun, here we are at the end of term 6 and about to move on from Hackpen and become upper school pupils.

This term again we have visited lake 32 and improved on paddle boarding and kayaking skills, its now also warm enough in the water for our old lady Sharon to enjoy, we love to push her in, if indeed we can catch her, she can be quite quick through the water when being chased.

SMSC has been very interesting this term, we have been looking at The Kingdom of Bhutan, a small country in-between India and China and nestled in The Himalayas, it is a very green country, banning plastic bags at least 10 years ago and uses renewable energy, a very forward-thinking country.

In Maths David has been flying through assessments, and asking for more, and is now working on Equivalent Fractions, Josh has also been smashing every lesson with probably the most work completed in Hackpen.

We have also welcomed Riley to Hackpen, who has settled in well and is a wizz at our favourite game of monopoly deal....

We wish you all a lovely summer holiday and look forward to seeing everyone again in September.

Ant, Sharon and Will

Food is the order of the Term in the care areas from fire pits to pizza and homemade spaghetti bolognaise the boys love all of the options in the evening!

Ingredients

1 tbsp **olive oil**
 4 **rashers smoked streaky bacon**, finely chopped
 2 **medium onions**, finely chopped
 2 **carrots**, trimmed and finely chopped
 2 **celery sticks**, finely chopped
 2 **garlic cloves** finely chopped
 2-3 sprigs **rosemary** leaves picked and finely chopped
 500g **beef mince**

For the Bolognese sauce

2 x 400g tins **plum tomatoes**
 small pack **basil** leaves picked, $\frac{3}{4}$ finely chopped and the rest left whole for garnish

1 tsp **dried oregano**
 2 fresh bay leaves
 2 tbsp tomato purée
 1 beef stock cube
 1 **red chilli** deseeded and finely chopped (optional)
 125ml red wine

6 **cherry tomatoes** sliced in half

To season and serve

75g **parmesan** grated, plus extra to serve

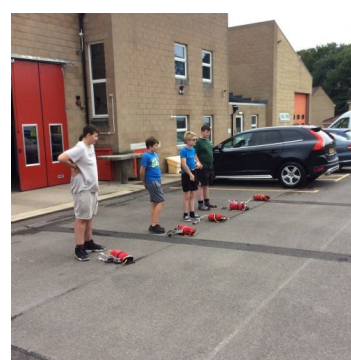

© dak

Evening visit to the Fire Station!

What a wonderful evening was had visiting the Chippenham Fire Brigade. The photos are amazing! The pupils look so happy! Well done to all, and thankyou, Wayne, for organising this!

MARLBOROUGH

Term 6 with Ben, Becky and Mollie

SMSC this term we have been looking at Nepal. The boys have been looking into Nepalese culture, the population and child rights.

Some of our boys took part in a football match against Brook academy. The boys played extremely well considering the heat. The boys had a great game and came away with a big win. The

rematch will be taking place at the end of this term.

For outdoor Education this term the boys have spent more time at the lakes but have also enjoyed spending time fishing, catching a few smaller fish but also a larger chub.

Most of Marlborough class took part in their D of E silver award. They took a trip to Wales with a nice walk on day 1 finished off with a camp fire and sleeping in a tent. Day 2 we took on a big walk across the Brecon beacons, during a climb out the mountains we were greeted with some lovely welsh winds and rain.

Ben, Becky and Mollie would like to thank the boys for making our year enjoyable and its been a pleasure to watch they grow into them young men they are becoming.

Tom and Becky went to B&Q last week & bought £70 worth of garden supplies & next year's seeds with the money raised by selling the flower seedlings. The plan has changed from buying grape vines as Tom and Becky discovered you can take vine cuttings, dip them in hormone powder & grow as many as you like. We currently have 12 vine cuttings we are experimenting on & hopefully they will soon be filling the poly tunnel.

D of E Silver expedition

On Tuesday 27th June, Caleb, Drew, Tom, Junior, Theo and Adam accompanied by Paul, Ben and Mollie, left Notton House to start their journey to Wales. All the boys were kitted up and ready to go. On the way there, the boys had their music on and were singing along. Everyone's spirits were high, and the sun was shining.

We arrived in Wales just before lunchtime so decided to have our lunch before we set off. We shortly regretted that decision when the rain started coming down. We packed up our bags zipped up our coats and off we went into the Brecon Beacons. The boys took turns using the map to navigate us from the drop off point to the camp site. We only took a few wrong turns, but that's because we were too busy enjoying the scenery. Mollie soon discovered she was not fully prepared for quite how mountainous Wales was, which of course the boys' thought was hilarious. At the end of our 5km walk we arrived at our campsite for the night. The boys were excited to discover the campsite had lots of animals. We were camping in the sheep field but next to us were some donkeys and chickens. Theo quickly found out geese are not the friendliest of animals. The boys were extremely disappointed there was no signal at the campsite. After erecting the tents, the boys took the opportunity to take the fishing rods down to the lake and try their luck. Drew and Tom enjoyed preparing and cooking dinner for everyone, which was really yummy for a campsite dinner. Once the sun started to set Paul and the boys got to lighting a campfire. Of course, no campfire is complete without marshmallows. The boys took turns telling stories and memories from their time at Notton and some started telling scary stories which was not so nice just before bed. At 11pm the boys finally decided it was time for bed, Paul, Ben and Mollie got the boys all settled and in their tents. Unfortunately, not everyone decided to stay in their tents, Tom thought it would be a great idea to sneak around and rustle everyone tents.

On Wednesday morning there was peace throughout camp. Staff were awake but the boys were still asleep. At 9am the boys were woken, and breakfast was made. Shortly after breakfast we began packing camp away; it was at that point the rain started. By 10am camp was packed away, and the boys were ready to start their longest walk of the trip. The boys were all in good spirits, until we came across our first ascent. Paul informed us it was only a little one. After we had been walking for what felt like hours Paul had the joy of telling us we were only halfway up our 810m climb. It was at that point Mollie realised she may have been mis-sold on her nice trip to Wales. During our ascent the fog became thicker, giving us a view radius of no more than 50m. At around lunch time, the rain started coming down hard and the wind was not in our favour, but the boys pushed through. It got to the point that even our waterproofs didn't seem to be keeping us dry. We had a quick pit stop for lunch in one of the mountain's large cols, but we didn't stop for long as we were cold and extremely wet, and we wanted to keep morale high. We reached the top of our ascent at around 3pm and much to the relief of all, it was only downhill from there. The relief soon faded when we realised the descent was at a much steeper decline than what we had already walked, making it extremely slippery with all the rain. Tom decided it would be a good idea to save time by sliding down the mountain instead of trying to navigate the slippery terrain. Others persevered with a few slips and trips, but by the time we reached the bottom, there were smiles all round. It wasn't until we got back to the minibus, we found out our waterproof kit bags had done a better job at retaining the rainwater than it had repelling it. It was at that time; we decided to finish the expedition and return to the warmth and dry of Notton.

Paul, Ben and Mollie would like to say a massive well done to all the boys and to remind them how proud we are of them.

With Ron, Karen W and Anzhelika

Alton Barnes students have had a very busy term 6 with lots of activities, the boys chose to use their green tokens award for a trip to Bovington tank museum, in Dorset. They learnt how to build a small-scale Tank, they even got to go inside one!

Rio and Connor had a visit to Lackham college for the morning to see where they would be doing their agricultural engineering course, in September, they're both very excited!

In SMSC lessons the boys have been learning about Japan, they were very surprised at the pollution levels children have to deal with.

Jack has been going to Kandu twice a week so he can work on his Arts Award, and Anthony is enjoying his animal care course at college, he even got to have a go at driving a tractor!

In English lessons the boys have completed all their assessments, so they have been focusing on screenwriting, some very interesting topics have come from this!

Maths assessments have all been completed, the focus this term has been on practicing their skills, thus reinforcing their learning.

This Term's News

Dear Parents/Carers,

It's the last term of the school year! All but two of the Westbury tutor group remain for another year. This term we say good bye to Leo, Reagan and Connor as they enthusiastically embrace new learning experiences and relish new challenges.

After another busy term, we are all looking forward to our summer holidays, to reflect on our time at NHA and prepare for college and/or new beginnings.

Special Events/Activities/News/Focus

It's the year 11 leavers BBQ coming up. As part of this we are asking all pupils, parents and staff to eat grilled meat and veg, and say goodbye to our year 11 legends.

Westbury class were delighted to welcome learning facilitator, Ollie Rew, as grill master to the ceremony. Ollie has extensive experience on the grill and has eaten grilled meat throughout his travels around the entire world!

In a paired or group activity Bennito and Brandon work sensibly, cooperatively sharing their ideas and thoughtfully listening to what the other says.

Leo was always the first one of his tutor group to arrive. He always tries his best and tries to follow the class/school rules. Well done!

"If our expectations, if our fondest prayers and dreams, are not realised then we should all bear in mind that the greatest glory of living lies not in never falling but in rising every time you fall" - Nelson Mandela

Important Facts

Author of the term: Morris Gleitzman 'Once'

SMSC focus: Nepal

PHSE themes:

- ☐ African Child
- ☐ Children's Art Week
- ☐ D-Day
- ☐ Hazing
- ☐ Hidden Disabilities, Autism
- ☐ Knife Crime
- ☐ Nelson Mandela Day
- ☐ Protected Characteristics
- ☐ Upskirting
- ☐ Young Carers

The boys enjoy a varied curriculum at NHA that is bespoke to their interests, whilst also equipping them with core knowledge of Maths, English and Science to provide them with the skills for adulthood, to thrive.

Cherhill

Term 6, Andy, Pete & Chlog.

We can't believe it's term 6 already!

Cherhill class have now completed their GCSE's and have finished their education here at Notton.

We are so proud of Phin, Caleb, Harley, & Drew, with how far they have come and what they have achieved over the years they have been with us.

We wish them all the very best for their future and we know they will succeed in all they dream of achieving.

Final Photos from our leavers BBQ for Cherhill 2023.

Goodluck!!

The last week of term is activity week, we welcomed Everyone's Adventure into school, the boys had a great time learning Archery and building a catapult.

As part of activity week, the boys also visited Lake 32 for some raft building.

As part of activity week, the boys also visited Lake 32 for some raft building.

SMSC DAY 2023

(Spiritual, Moral, Social and Cultural Day)

Tiff, one of our Learning Facilitator's brought her Shetland ponies in for the boys to meet.

Another member of staff, Mollie, brought her face paints to school and the boys enjoyed having different flags painted.

SMSC DAY 2023

(Spiritual, Moral, Social and Cultural Day)

GAME, SET & MATCH

We had our very own Wimbledon tournament, and the sun was shining!

A huge thankyou to Joe's Ice Cream Van supplied by Vision for Education Recruitment Agency, arranged by Amy. All staff and boys thoroughly enjoyed this treat.

Site Team Works Update

Whilst everyone was busy relaxing over the May half term, the Site team were busy updating some areas of the school.

- 1 – New access controlled door now in Lower school corridor leading into Devizes classroom.
- 2 – New fire pit and seating area installed in the Forest school, we have also started to tidy up the area, if we can try and keep the area tidy.
- 3 – All bikes have been serviced and repaired, we have also had anti puncture fluid (Slime) put in all the tyres.
- 4 – All woodwork has been re painted in the Education block classrooms.
- 5 – Another load of emergency lights have been replaced across the School, again moving to LED for energy efficiency and reliability.
- 6 – Final parts of the energy efficiency works have been completed, fan heaters in the Dining room all now work.
- 7 – More works have been completed on the Severn bathroom conversion.
- 8 – The usual decorating repairs across all areas.

With nearly 200 years of expertise, it's safe to say we know what it takes to craft the right shoes for growing kids. And we're here to help you find the perfect pair for happy, healthy feet as they head back to the classroom.

Shoe shopping can be overwhelming for some children. If you'd like to visit us during a time with fewer crowds, noise and bright lights, then book a **Quiet Time** appointment.

**TO BOOK YOUR QUIET TIME APPOINTMENT, CONTACT CLARKS
