

Message from Michelle Reysenn – Headteacher

Dear families,

It's that time again, when we reflect and celebrate on all learning, progress, achievements, opportunities, and experiences, that staff, pupils, families, and visitors have been part of, during term 2 at Notton House. I will give you a flavour of a few of these things in my covering newsletter note.....

Outdoor education continues to provide pupils with a sense of personal well-being, and challenge, by encouraging them to try new activities such as climbing, and explore new places of local interest. Weekly PHSE has enabled pupils to learn more about important topics, and current affairs, such as Remembrance, Anti-bullying, Diwali, St Andrew's Day, Bonfire Night, Road Safety Week and more. Our SMSC continent of focus has been Europe...read more about what pupils have been learning about their chosen country within this newsletter. Plus, our author of the term for our tutor reading sessions has been Roald Dahl. Our well-being curriculum really does go from strength to strength!

During residential care, pupils have been enjoying many evening trips and activities, and it was wonderful for our visitors from Ofsted to see these in action, and recognise the continued 'good' work that all staff have achieved, when they carried out their annual inspection last month. Our residential provision has been complemented by the addition of two new after school clubs during terms 1 and 2, with coaches from in2sport and also a badminton coach has been supporting pupils twice a week to improve their skills.

Finally, the countdown to Christmas has begun, competitions have been enjoyed by many, and prizes and certificates have been awarded for the best decorated classroom, and for the Christmas colouring competition! Lots of hard work will take place during the holiday period, with further site developments and improvements, and everyone is eagerly awaiting the American diner seating!

And so, the time has come to wish you all a wonderful time with family and friends over the festive period. Please do take care of yourselves and others, and enjoy the things that really matter.

Michelle

Term 2 WINNERS!

ICT	Anthony
SMSC	Blakey, Riley
14-16 College	Connor

PEWSEY

Term 2

Natalie, Leann, Sammy and Jo

We have had lots of out door adventures this term and have braved the weather. Although not all of us are keen on walking we have tried to participate and are working on keeping ourselves safe when outdoors.

For Remembrance Day the school were lucky to have a visit from a parent who is a Colonel in The Royal Engineers. He shared his experiences in the army and explained and showed all the kit and equipment he has, including his ceremonial sword, which was very popular.

We have been cooking this term and successfully made a roux sauce for a carbonara and all enjoyed tasting it.

We have enjoyed our science topic States of Matter and particularly enjoyed making different slimes and experimenting with making bubbles. We learnt that slime is neither a solid or liquid but has properties of both!

We have been learning our multiplication facts and are particularly pleased that Times table Rock Stars has been purchased for us and a username and password will be sent home to fully benefit from it.

Happy Christmas to everyone and we look forward to seeing Pewsey class back in January!

**We had a special visit to Notton from Bobby's Dad,
he is an engineer in the British Army**

DEVIZES

Term 2

Emma K, Jane, Amy and Emma A

Report from Jane about what Devizes class get up to on a Friday

This term, we have discussed various topics including bonfire night and firework safety, Remembrance Day, anti bullying, stranger danger, invisible disabilities and safety around railways and trains. Here are some photos . . .

We made our own sunflowers and enjoyed tasting real sunflower seeds!

Sunflower – RAISING AWARENESS
By wearing a sunflower, people with hidden disabilities can signpost to others around them that they may have additional needs

We wore odd socks to mark the start of anti-bullying week showing we are all different and accepting of one another.

We looked at the meaning of Remembrance Day and talked about why the poppy is the symbol. We made our own wreaths and poppies.

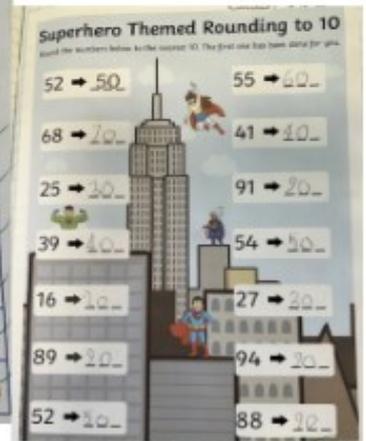

Fridays in Devizes Class continued!

We are very busy on a Friday!

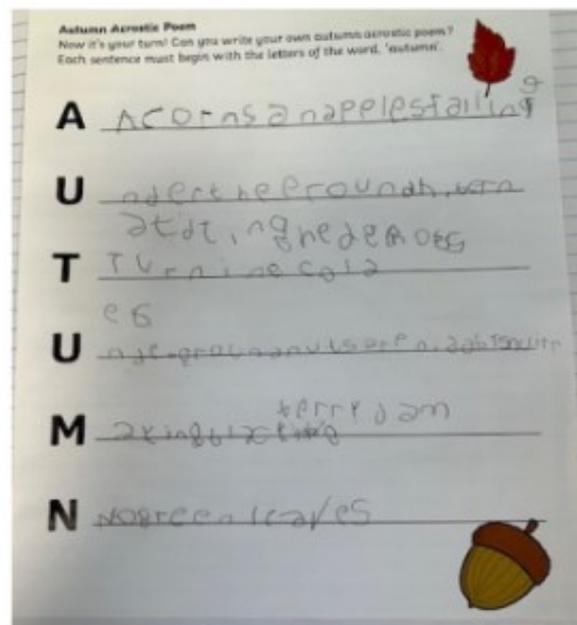

Maths

We have been looking at how to round numbers to the nearest 10, odd and even numbers, more than and less than including the symbol to represent this and halving and doubling numbers. We have been learning to tell the time to the hour and half past the hour using an analogue clock and have been comparing time.

English

Our topic has been Autumn. We have looked at Autumn poetry and comprehension, words associated with Autumn and their meaning, and we have written our own acrostic poem. We have also been learning the order of the months of the year and which season these relate to and we have looked at the vocabulary related to the date.

BINGO time!

During Golden Time, we play Bingo with playing cards!

We answer questions about things we have been learning about and then we can claim the number!

We have had an amazing second term, we have welcomed new pupil Freddie to the class and new Learning Facilitator Chantal.

Lego has been very popular in our class. We have been busy playing together and building some sensational creations!

In English we have learnt about smilies, researched tongue twisters and created our own winter alliteration poems

In outdoor education we have had trips to Lacock looking at the Harry Potter house, and display of poppies at the local church. We have also been to Yatton Keynell park where the boys attempted the assault course!

In cooking the boys have been very productive this term. Making delicious gingerbread men, cookies, muffins and crepes.

We also had a lovely festive afternoon at Whitehall Garden Centre visiting the Christmas Shop and looking at the animals, followed by hot chocolates!

This term, in SMSC, we have been focusing on France! The children have been very enthusiastic about learning different facts about this country. Chantal -our new LF- is from France and has been keen to talk to the children about her home country.

We wish you all a happy and safe Christmas and look forward to seeing you in the New Year!

A lovely Autumn day for a local walk!

Silbury class had a walk around Lacock for outdoor education, as the boys wanted a photo outside Harry Potter's house. They also saw a display of poppies outside the church and walked to the Ford.

BROADTOWN CHRISTMAS NEWSLETTER

MATHS—This term we have focused on naming 2d &3d shapes. We have also learned their properties to describe them. We have practised our directional skills and also plotting coordinates.

ENGLISH—We have been reading the novel called Holes. We have completed shared reading activities as well as following the film. The class have really enjoyed the story line. We have completed writing letters and understanding the qualities of each character

DEAR—Our author of term 1 & 2 was Roald Dahl. We have enjoyed group reading sessions where we have read Esio Trot.

SCIENCE—This term in science we have been studying forces. We have been describing what forces do, identifying forces as balanced or unbalanced. We have looked at weight and mass using force meters to measure force in newtons and, we have investigated friction, up thrust and density.

HUMANITIES— Our focus has been around different religious beliefs. We have discussed the feeling and effects of loss and prioritised according to our thoughts in this matter. We have explored emotions people feel with loss and have participated in discussions.

SMSC

We have been researching France. We are able to identify famous landmarks. We have also learned about their culture as well as learning some basic vocabulary.

OUTDOOR-ED

This term during Outdoor Ed we have enjoyed going on trips to the woods. During these sessions we have built dens, enjoyed being out in open spaces, appreciating wildlife and being outdoors.

Cooking/Art

This term we have been cooking European food such as meatballs, pizza and calzone. More recently, we have baked cookies and ginger bread.

P.E

This term we have been practising our skills in badminton. We have learned many rules of the game and have developed our coordination skills.

CHRISTMAS - NOTTON HOUSE CARE

Boys have been displaying Christmas trees in their areas and have been making sure that they all look very merry and bright!

Lights and tinsel have been flowing with Christmas trips planned. The boys are sure to have the best lead up to Christmas!

Whatever you are all doing the care team would like to take this opportunity to say thanks for your continued support and wish you all a very merry Christmas and a happy new year!

It's good bye from me – I would like to say a massive thank you to all of the staff, parents, carers, and professionals that I have worked with over the past 13 years, but most importantly the boys of Notton House Academy. I wish you all the very best with your futures and what it may bring you!

Congratulations to Sue Gilson on your promotion!

MARLBOROUGH

Term 2
with Ben and Lucy

English

In English this term, the students of Marlborough have been learning about the word classes. We have been especially focused on nouns and verbs and how the use of these words can bring extra meaning to a sentence.

Maths

In Maths, everyone has been doing different topics whilst working towards their qualifications, as everyone has different strong points. Some of these topics include; algebra, addition of large numbers, subtraction, and long division.

Food Tech

There has been some amazing cooking skills shown off in Food Tech this term, I for one particularly enjoyed sampling the jerk spiced chicken wings! Some of the other meals/snacks cooked include; rice, gluten free apple pie. Theo also has some fun with the Ipad camera despite being reluctant to take photos for his coursework...

E-sports

Those that have chosen to do E-sports have been doing some amazing coursework, alongside showing off their gaming skills and excellent knowledge on how to start an inclusive gaming brand. On Friday, we had a celebration assembly in which Theo won the E-sports effort award!

SMSC

This term, we have focused on Norway for our SMSC topic. We have looked into the geographical features of the landscape, the food and culture, and watched an special Christmas episode of Mortimer and Whitehouse 'Gone Fishing' that is based in Norway.

Kandu

Jack has continued to go to Kandu on a Tuesday and comes back enthusiastic about the day!

Careers

We have also been discussing next steps for the future with our year 11s in our Careers sessions. The pupils of Marlborough are thinking about potential college courses and even what they might do as a job post college.

Christmas Colouring Competition

Thank you and well done to all pupils who entered the Christmas colouring competition. It was a tricky decision to make, but I can confirm that we have

2 WINNERS!

Well done to both Blake E and Chester W!

Both boys will select a prize from our rewards box during the end of term assembly.

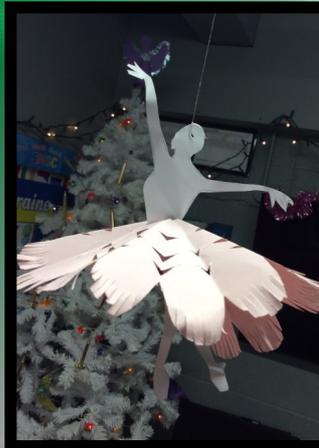

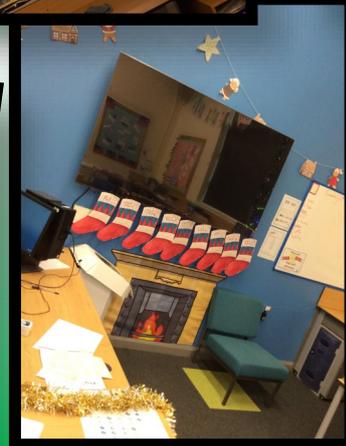

Best Festive Classroom of 2023 Competition

Well done to all the classes that decorated their rooms for Christmas, it was a really close call and two classrooms had made an exceptional effort, Hackpen Class and Alton Barnes Class.

ITS BEGINNING TO LOOK A LOT LIKE CHRISTMAS

The boys have been very bus decorating their classrooms and there will be a winner for the Best decorated classroom of 2023

HACKPEN

Term 2

With Ant, Chloe and Ollie

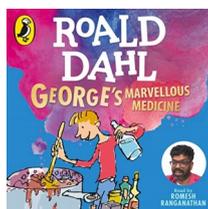

Merry Christmas one and all from Hackpen class. Firstly, let us start off by saying "wow, what a term!" Hackpen have had their 3 stalwarts in Josh, Lance and Natal displaying all 3 core values (safety, kindness and respect) on a regular basis, causing envy across the entire school with the sheer number of green tokens accrued. As a class we are so close to filling our green token jar meaning we will be able to access a trip out of school (if the boys can agree on what that will be).

In SMSC we have been within Europe specifically learning all about the tiny country of Liechtenstein, one of the most interesting facts being that 60% of all the worlds dentures are produced there, crazy stuff.

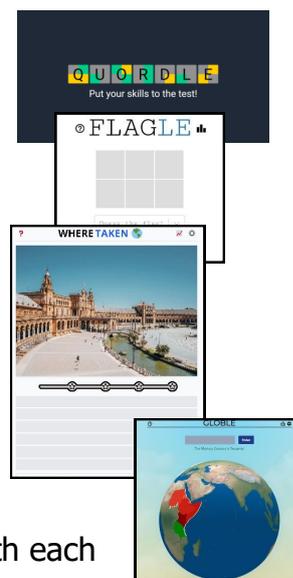

We have covered many interesting topics in PSHE with the boys being particularly interested in Anti-bullying week and from that we will be accessing a course on the Anti-bully Alliance website to educate ourselves more.

George's Marvellous Medicine has been the book of choice, reading particularly from Josh has been exceptional, however, it was unanimously decided that Rik Mayall's version that we found on YouTube is the GOAT.

In Hackpen class we have slipped into a morning routine that gets us settled, brains working and ready for education and it goes something like this...

1. **Quordle** – a more advanced version of wordle where you have to work out what the 4 words are.
2. **Flagle** – A flags of the world guessing game, you have 6 guesses to work out the flag, with each guess a part of the flag gets revealed (Ollie isn't allowed to help as he knows every flag in the world because he's so cool).
3. **Worldle** – A shape of a country is shown and you have 6 guesses to work out which country it is, bonus rounds include population, neighbouring countries and the capital city.
4. **Wheretaken** – We see a picture and have to guess which country that picture is taken.
5. **Globe** – a guessing game to find out what the mystery country is, with each guess you find out how far away you are from the mystery country.
6. **Globe Capitals** – as above but with capital cities.

All boys have knuckled down this term with regards to core lessons, making excellent progress with both their English and Maths. In outdoor education we have been climbing and also making campfires in our forest school area. Josh showed particular interest in climbing and did excellently when climbing the high wall on the automatic belays. The boys have made all sorts of delights in food tech ranging from chicken schnitzel to gingerbread. In P.E it appears we may have the next Nathan Robertson and Gail Emms in Lance and Natal as they have taken to badminton like ducks to water, putting on an exhibition of stunning rallies.

Overall it has been an enjoyable term with all boys making great improvements, not only academically but also in their contribution to school life, this was proven during the rewards ceremony where the boys picked up numerous certificates and prizes for their successes.

Have an amazing Christmas break and we look forward to welcoming Hackpen class back in January!

Remembrance Learning

A wonderful week of learning took place to mark Remembrance, lots of lovely work created and displayed in Reception, our very own Army Cadet Josh wore his uniform with pride to mark the occasion.

ALTON BARNES

Term 2
With Ron, Steve
and Anzhelika

Fantastic photos of our pupils enjoying the great outdoors at Climbing Academy in Chippenham.

Our pupils enjoyed Egyptian Culture, as part of their Humanities Education Programme!

Alton Barnes' boys are loving their time on Friday each week.

Congratulations to Patrik, William, Anthony, Taylon and Charlie for amazing work.

We wish you a Merry Christmas and Happy New Year!!!

Huge Thanks to Our Students!

Thank you to Josh, Lance, Natal, and Rio, who supported the recent interviews, by representing the student council, meeting with the candidates, asking questions, and sharing feedback to the leadership team. Well done all!

And a MASSIVE Congratulations to...

Well done to Emma Kelleher, and Nathan Dunford, who have both been appointed as class teachers for Devizes, and Silbury class, respectively. Emma will be sharing her teaching role, with Rachel, a new colleague soon to start at Notton, who was also successfully appointed as class teacher for Devizes. Emma will continue with her Thrive role on the days Rachel is leading Devizes class.

Congratulations

Ofsted Visited Notton House: November 2023

With huge thanks to all staff, pupils, families, and visiting professionals, who all continue to contribute to a safe and successful educational and care experience for the young people at Notton House.

This is the academy's **5th GOOD** judgment in a row! Here's a few lines from the most recent report... enjoy!

Children told the inspectors that they like and/or love being at the school. They feel safe, and they like the staff who care for them and have fun. They like their residential areas and the children they live with.

Staff are skilled at assessing children's needs and quickly identify what specialist support is needed. The support from the 'well-being hub' is valued by children and families.

Staff support children to do lots of different activities. Children are encouraged to join clubs in the community. This helps them build social networks and friendships outside of the school.

Summary for children and young people

Name: Notton House School

URN: SC039112

Date of inspection: 07 Nov 2023

Hello Everyone

Joy and I enjoyed visiting you again at Notton House School. It was good to meet you.

Thank you so much for spending time with us and telling us what it is like to stay at Notton House.

Wendy, really enjoyed playing bingo with the lower school boys and says thank you to Lance for the guided tour of the middle school residential areas.

It was great to hear about what you had been doing since our last visit. We know a lot of boys left at the end of last year and new boys joined in September. Staff supported you with these changes.

At this visit we found the staff know and look after you well and keep you safe. This means the residential side of Notton House is good.

Staff are still looking into what else they could use instead of the walkie talkies.

Thank you again for your time

Best wishes

Wendy and Joy

Ofsted inspectors

Badminton Club

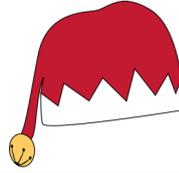

It's NEW! Autumn 2023!

Pupils and staff are very excited to be able to take part in the weekly badminton after-school club

CHERRHILL

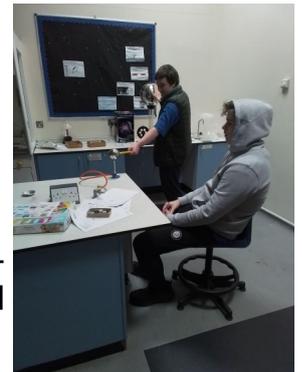

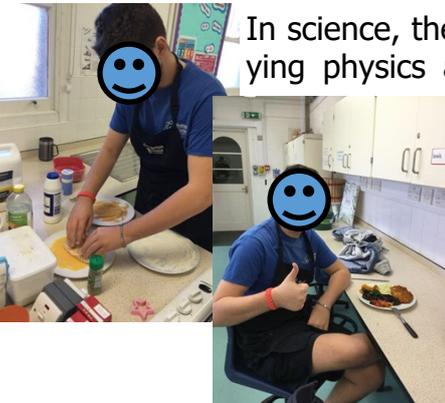

Term 2
With Andy, Karen,
Pete and Lauren

Another term completed! So, what have the class been up to?

There has been a lot of good learning going on in both English and Maths. In English, we have been looking at GCSE Past Exam papers to see what is involved to answer questions to achieve a good grade. We have been learning about PEE paragraphs and PETER paragraphs and also looking ahead to the descriptive writing part of the exam.

In maths, there has been some wonderful work completed, some of which is very high level, including multiplication and division, expanding brackets, trigonometry and Surds. Rio and Tom have also just completed a past GCSE Higher Tier Exam paper to enable them to pick up on areas that they particularly need to be working on.

In science, there have been some explosive experiments and the students studying physics are tackling some very complex questions. We have had some great discussions in our PSHE lessons and some tasty offerings produced in Food Technology.

The students studying E-Sports have been learning the teams that are involved, the games that can be played and money that can be made, and they have also designed a logo for their own E-Sports brand.

Rio has been attending The Wheels Project in Bristol on a Friday morning and over this term he has stripped down an engine and then rebuilt it! This has been quite a task, but he has completed it. Well done!

In Outdoor Education, the group have visited the local climbing centre and scaled the walls using high ropes!

In SMSC, we have been studying the continent of Europe. Our chosen country was the United Kingdom – keeping things close to home - and this has been very interesting.

Have a great Christmas break!

Merry Christmas and a Happy New Year to you all!!

It's Play Time

Staff and students, made the actors from Image Theatre group, feel very welcome. A wonderful performance of The Selfish Giant was enjoyed by so many!

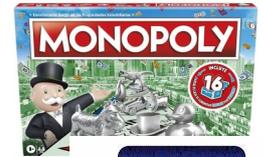

WESTBURY

Term 2

With Anton and Sharon

Term 2 has been relatively quiet for us, our boys have engaged in some great work, several outdoor education lessons and a fair few board games, our favourite being Monopoly (Riley wins every time) and our favourite card games Monopoly Deal and Exploding kittens.

In SMSC we looked at Switzerland and the different way of life for teenage boys living there compared to The UK, it was very interesting, Switzerland is famous for its cheese and chocolate and the way of life over there seems better than here in the UK.

ODD SOCKS DAY FOR ANTI-BULLYING WEEK

In PSHE we have had weekly lessons ranging from Remembrance Day, Anti-bullying week, where we wore odd socks for a day, most boys wear odd socks daily, so this was an easy thing to do and lately we have been learning about Christmas around the world, and how other countries celebrate it.

Here's How some People Celebrate Christmas the World

Poland: People Share a Pre-Dinner Wafer. ...

Slovakia: Carp for Dinner. ...

Sweden: St. Lucias day

Greece: Christmas Trees and Boats. ...

Ethiopia: Christmas Processions. ...

Germany: Christmas Markets. ...

Philippines: Nochebuena and Lots of Lights. ...

Austria: Krampus Hunts for Naughty Children

We wish you all a *merry Christmas* and *peaceful New Year* and we look forward to *welcoming the boys back in January.*

Anton & Sharon

Year 11 Past and Present

Year 11 Leavers 2023

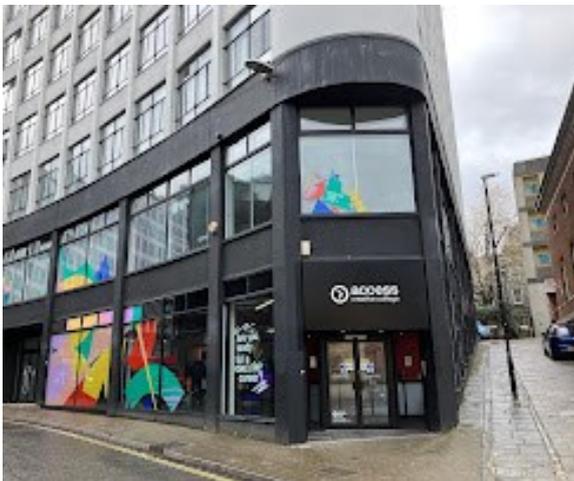

We have had a busy year with our 2023 leavers.

Lots of pupils, lots of visits, lots of interviews and

lots of destinations.

This year we have leavers taking college courses at:

- New College Swindon
- Access Creative College
- Bath College
- Weston College
- Impact Mentoring

It is great to hear from ex-pupils and their parents with regular updates with how well they are doing.

On a recent visit to Somer Valley campus of Bath College, we caught up with Harley, who is working well in the construction department. He was busy building a wall when we arrived, but took time away to say hello. To all our leavers – all the best for your future. Keep working hard and keep in touch.

Careers Guidance with current Year 11 pupils

All of our current year 11 have now met with Steven Newman. Steve is a professionally qualified Careers Adviser with over 10 years' experience working directly with 13-24 year olds in schools, further and alternative education settings.

He visits Notton on Thursdays and has now met with every year 11 pupil. As a result of this, we are busy planning visits, prior to applying, for a range of courses that pupils have expressed an interest in.

More information on Steve and the work he does to support careers guidance can be found here:

<https://www.newmango.co.uk/about-newmango.php>

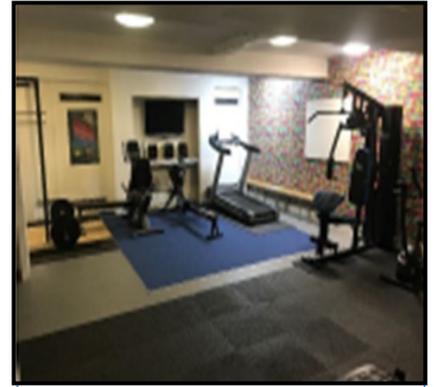

NHA Site Updates

New American diner themed booths and tables to be installed in the dining room

New fencing to be installed around the forest school area

Fitness suite refurbishment. New flooring, re-decoration and hopefully new equipment!!

Notton House Academy Facilities Available to Hire

Sports Hall

Astro Pitch

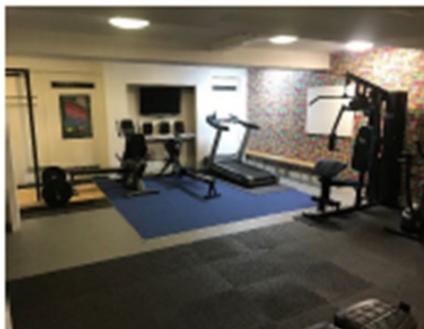

Outdoor classroom (Forest school)

Football Pitch

Fitness suite

Various Classrooms

All facilities available for £25 per hour (30 minute bookings also available)

To make a booking please visit www.Schoolhire.co.uk

Parent Pay is now up and running, you should have received details on how to set up your account.

Newsletter / Website Announcement

ParentPay - our new online payment service

We are pleased to announce that we will shortly be accepting payments online for items such as dinner money, school trips and uniform. Using a secure website called ParentPay you will be able to pay online using your credit / debit card or continue to make cash payments at PayPoint stores. ParentPay will be our preferred method of making payments to school.

What are the benefits to parents & pupils?

- ParentPay is easy-to-use and will offer you the freedom to make online payments whenever and wherever you like, 24/7
- The technology used is of the highest internet security available ensuring that your money will reach school safely - offering you peace of mind
- Payments can be made by credit/debit card or also through PayPoint.
- Full payment histories, balance alerts and statements are available to you securely online at anytime

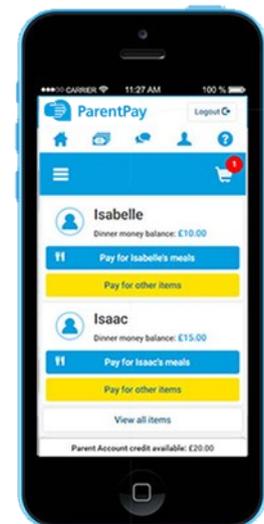

What are the benefits to our school?

- You can help us reduce workloads for all staff as no more counting cash, chasing debt and stop cash collection services
- Creates more time to lend to educational support and the smooth running of the school
- Improves school security
- Using ParentPay also ensures that all financial transactions are safe and secure - helping us to remove costs associated with us having to manage cash securely on the school premises
- The more parents that use ParentPay, the greater the benefit is to our school.

How to get started with ParentPay?

We will send you your account activation details. Once you receive these:

- Visit www.parentpay.com
- Enter your Activation username and password in the Account Login section of the homepage
NB. These are for one-time use only, please choose your own username and password for future access during the activation process
- Provide all the necessary information and choose your new username and password for your account - registering your email address will enable us to send you receipts and reminders
- Once activation is complete you can go straight to Items for payment, select which item(s) you want to add to your basket and proceed to complete your payment

If you have any questions, please contact the school finance office. For more information, visit www.parentpay.com/parents/

Please can I remind all families of the Uniform Policy:-

School Uniform

A compulsory Notton House polo shirt (Royal Blue)

A compulsory Notton House sweatshirt (no hood) or grey fleece

Black or Grey Trousers (No tracksuit bottoms allowed except for P.E. lessons)

Black Shoes (no other colours permitted)

P.E. Kit

Students are permitted to wear their own PE kit but this must not include items with large logos.

Trainers (no black soles are permitted for indoor P.E. lessons)

Trousers can be purchased from supermarkets such as ASDA or Tesco.

School polo shirts, sweatshirts and fleeces are available for purchase directly from school. All the garments offer excellent value for money and are made from hard wearing, machine washable fabrics, embroidered with our logo.

Price List

Item	Size	Cost
Polo Shirt	9/10, 11/12	£6.50
Polo Shirt	S/M/L	£8.50
Sweatshirt	12/13	£7.00
Sweatshirt	S/M/L/XL	£8.50
Fleece	Youth L/XL	£11.00
Fleece	S/M/L/XL	£13.70
